Tim,
The other
great Baritone
if we had a great year
in band, and next year
a the year following will be
even better (last band? hope so)
Well anyway, have a great summer
I ~~hope~~ sorry, my artwork ain't what it
used to be :) see you this fall

Sod

Tim,
It's been a really
fun having you
around, hope it
be just as fun next
year. In the meantime
keep smiling and stay
happy always
and good to come
the years to come
Love ya

Tim,
Even though I don't
know you that well
what I do know
like. Hope to get to
know you better. Have
fun this summer & good
luck next year.

Diana V.B.

Be seeing you
in the summer, but keep
hanging in there in the
meantime. (get it?)

Tim,
It's been great
knowing you in
Latin and band,
you're a good bar-
atone, not great but
good. See you next
year in Latin and Band.
Good luck always
Dianne

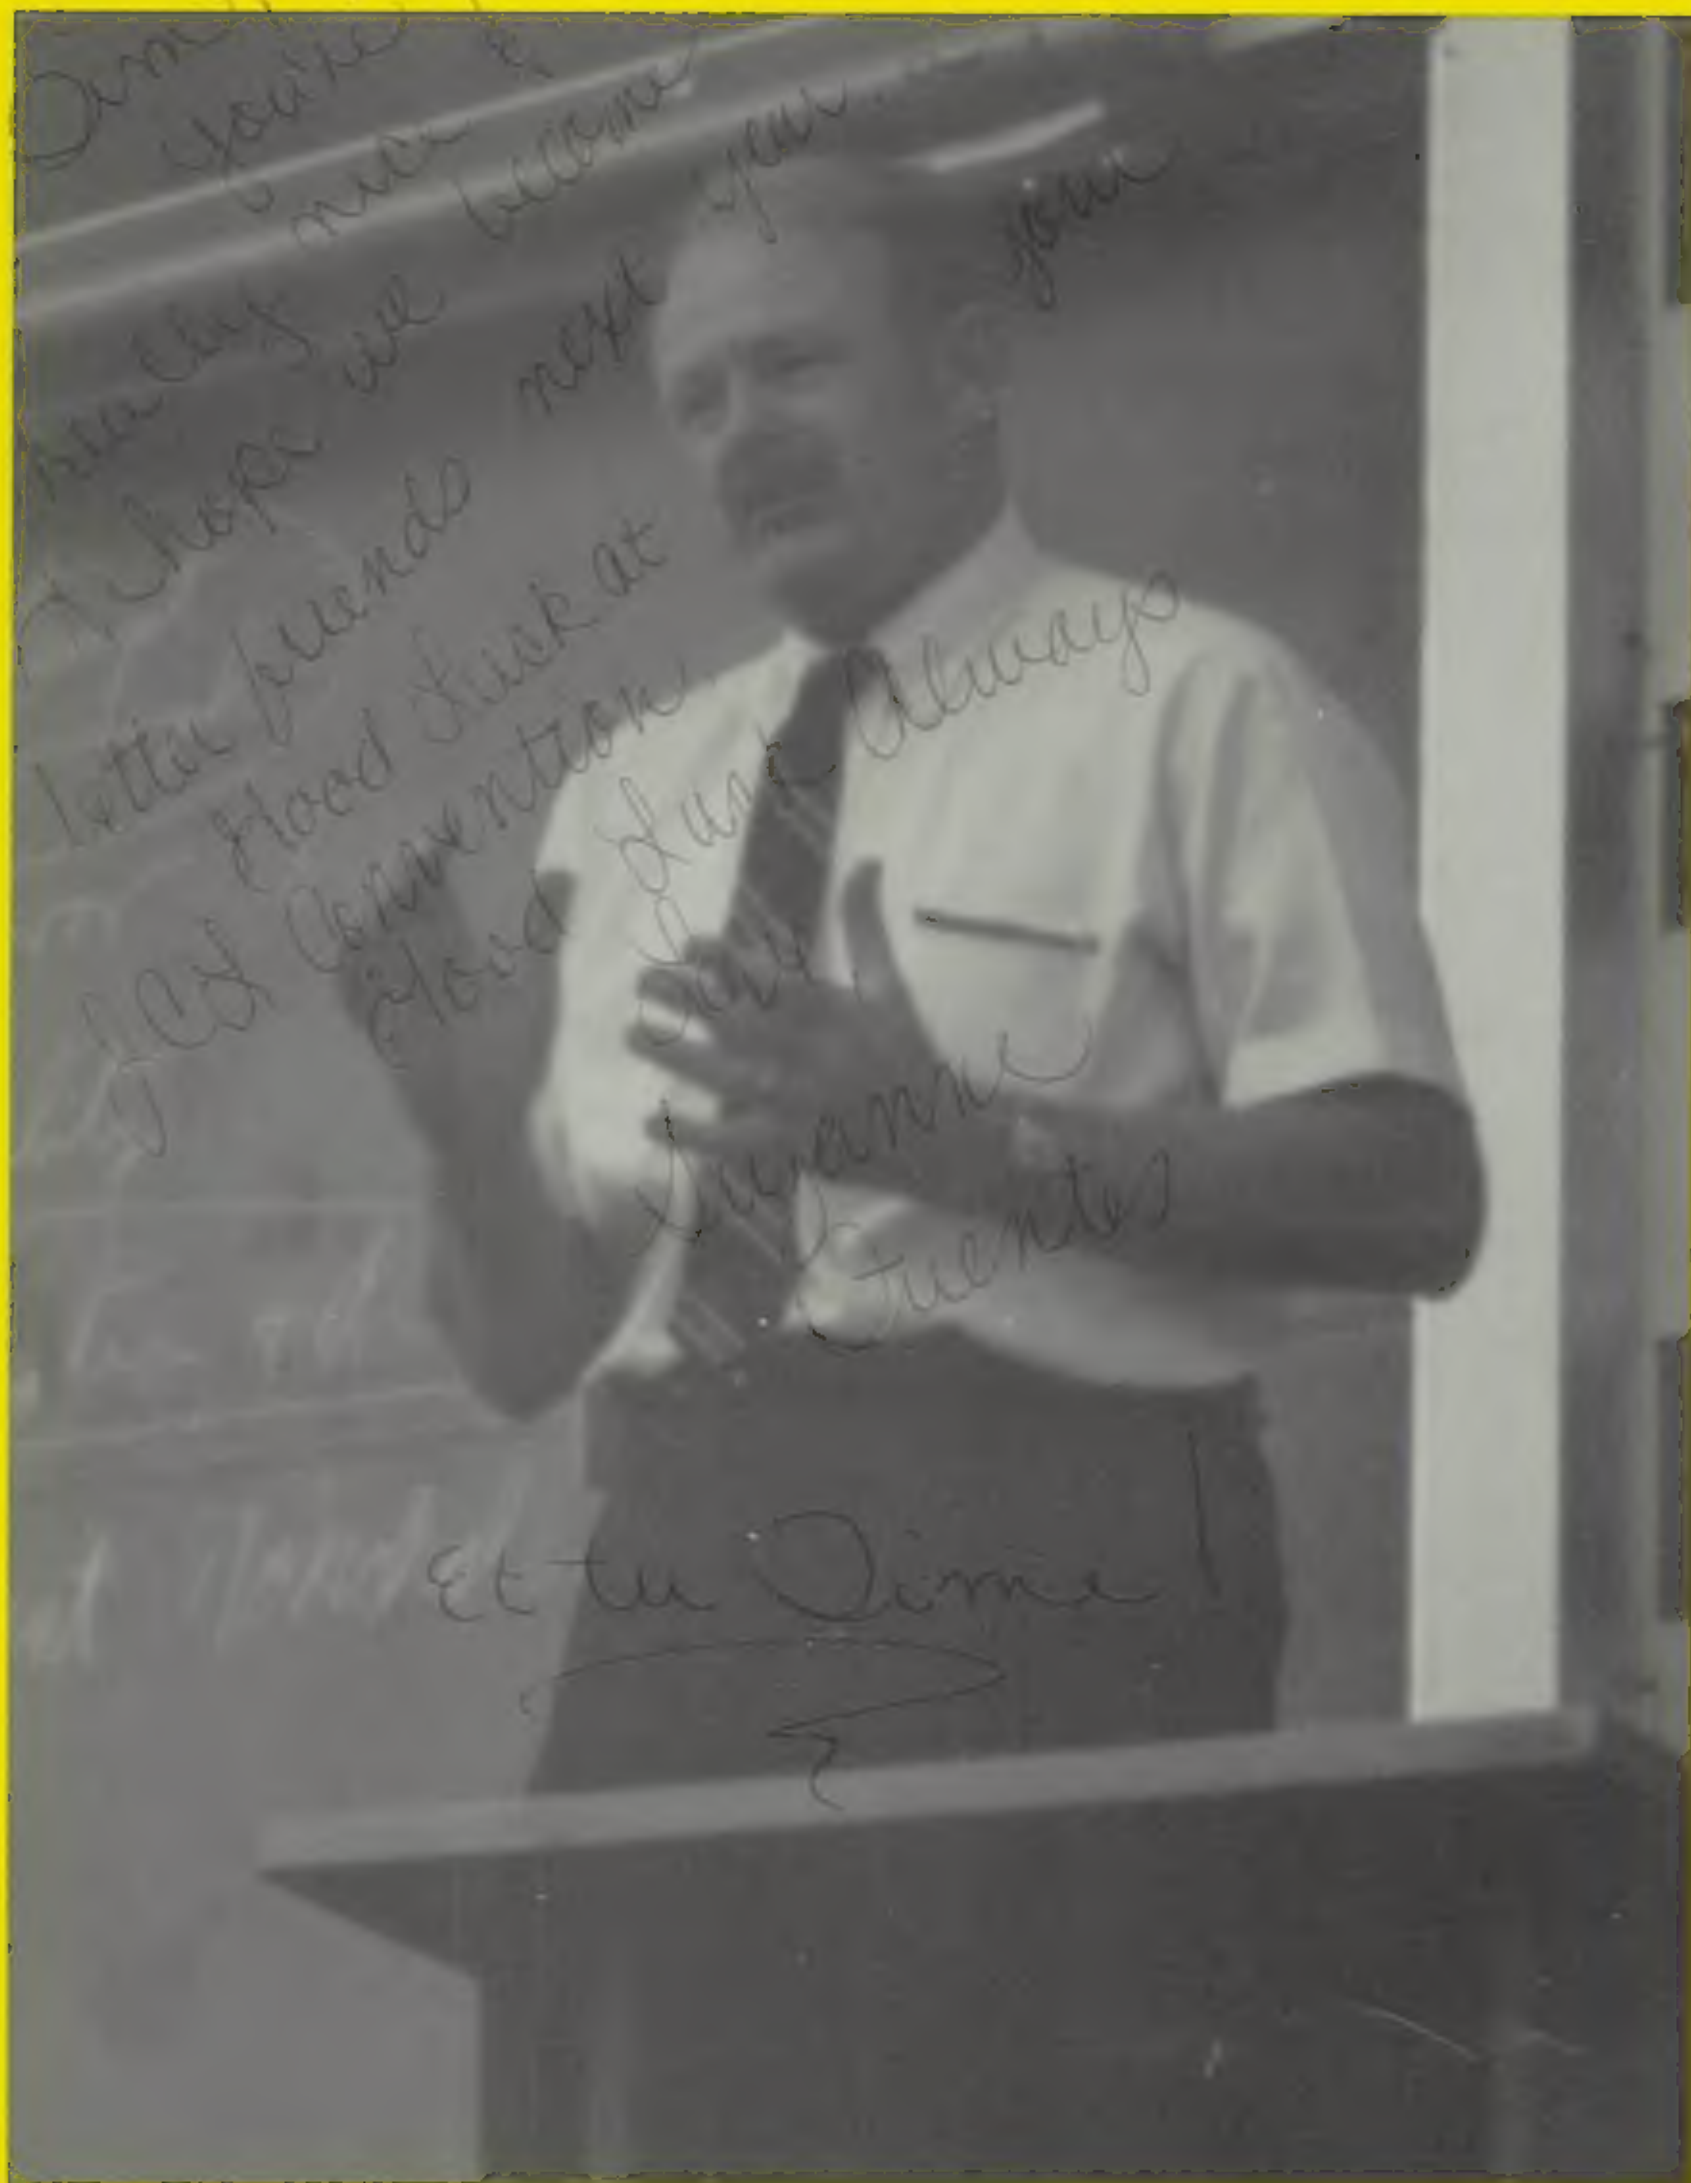

Tim,
You're a real nice person
to know and be in my
favorite two classes. Good
luck during years to come and
I'll see you next year.

Tim,
You're a great
person. I
hope you
have a great
summer & I
will see you
sometime. Love

Mr. Wallace Duffy

"The greatest happiness you will ever know is that which you give to others." This advice comes from one who has given 16 years of happiness and service to El Segundo High School. And in return, we, the Annual Staff, receive great happiness and pleasure in dedicating the 1972 Golden Eagle to Mr. Wallace Duffy . . . teacher and friend to all.

Mr. Duffy received his B.A. and M.A. in Theater Arts from UCLA, and at one time, he wanted to go into show business, even playing "extra" and bit parts in movies. The call of teaching, however, won out, and in 1955 he came to El Segundo High School to teach Social Studies, Drivers' Training and Drama. At present he teaches Drama, World History, Stage Construction, and directs the Junior and Senior Class plays.

Mr. Duffy is more than a friend and a teacher—he is a part of the great eagle spirit. He has volunteered to be in skits at Pep Rallies; he has participated in faculty talent shows and fund raising activities sponsored by clubs and organizations of the school. He even ran for Governor of California in 1966—losing out to the present Governor Reagan. Mr. Duffy has always found time to fight for clean air and the right and preservation of individual freedom. He has given happiness, and time, and talent to any and all who ask. His heart is as big as the entire student body of ESHS which he serves in any capacity.

Mr. Duffy says his life's philosophy is to live by the Golden Rule, and the annual staff would like to give a thank you to him for making each of our days a little happier and each of our tomorrows a dream of hope. Look well, therefore, to our dedication of the 1972 Golden Eagle to

Look to this day!
 For it is life, the very life of life.
 In its brief course lie all the verities
 and realities of your existence:

At: Good Luck
 Hope you do well in

Good luck next year, Good
 luck at school. Good luck
 to all.

Tim, ☺

I've gotten to know you a lot better this year and I think you're very nice! I'll always remember Latin and marching in the same rank in band (trying to keep the rank straight)

I hope we both grow so Christians - I wish you good luck in everything you do and congratulations on receiving the Holy Spirit!

The bliss of growth;
The glory of action;
The splendor of beauty;
For yesterday is already a dream,
and tomorrow is only a vision;
I hope we are friends for a long time to come.

Love, Esther

PS Thanks for encouraging me to come to EVC - you made me feel wanted and I've found I get a lot out of it! ☺ (my "trademark"!)

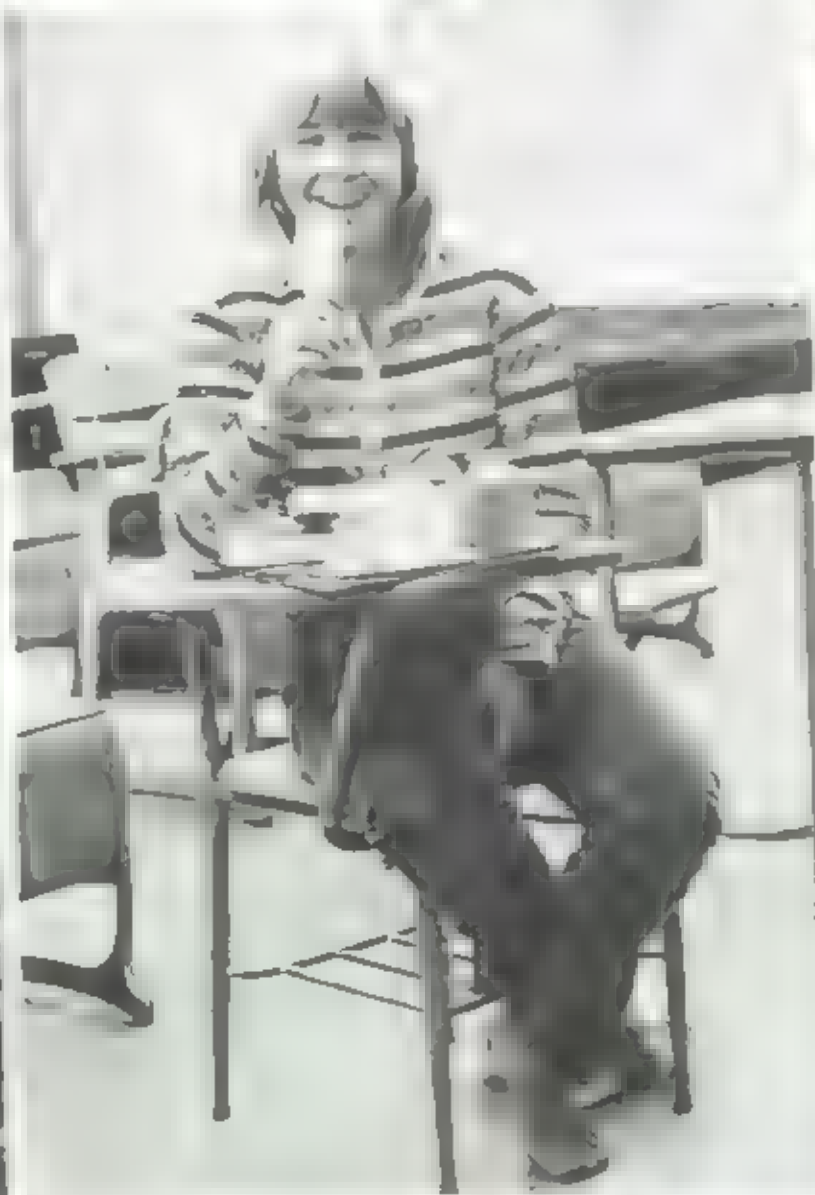

But today, well lived, makes every yesterday
A dream of happiness, and every tomorrow
a vision of hope

Look well, therefore, to this day!

From the Sanskrit

Look to this day—and to this
year—for it is life—

Student Life

In its brief existence of nine
months, life on ESHS campus for
the 1971-1972 school year was the
reality of classes, grades, and
homework; it was the bliss of pep
rallies, assemblies, clubs, and
involvement; it was the splendor
of lunch periods, victories,
successes, and friendships.
Yesterday is already a dream
recorded here in pictures for you
to relive, to remember, and to
preserve in your memory. Life was
not only a faint vision of every-
day routine, it was also a dream
of happiness and hope for
tomorrow. Look well, therefore,
to Student Life on ESHS campus.
That's all that's left you today!

ESHS's most active group this year was

Student Council

supervised by Mr. Peterson, whose interest and concern encouraged an active Student Government. Student Council started with a bang when Steve Curtis was elected ASB president a year ago. Serving with Steve for the 1971-1972 school year were Vice President, Mike Jellison and Secretaries, Janice Meredith and Lynn Wendell, and Treasurer, Sharon Olson. These officers along with the Senate and the Executive Council comprised El Segundo's active, effective Student Council.

The council did more than approve requisitions for money and requests for dances and activities. Saturdays and after school, they sanded and painted the bleachers blue and gold. They revised rules for requisitions and student body business. They wrote up rules for supervisors working at games and revised rules for concession stands. They set up successful ticket collecting systems for football and basketball games.

The climax of the year was the purchase and installation of a much needed new scoreboard for the football field. They also got a new marquee. Look to this day and to this school year as a year of strong, active government for the students, by the students, under strong, respected leadership.

Within the structure of the student government was the ever needed

Executive Council

which was appointed by ASB President Steve Curtis. This group of young executives was responsible for the general activities and workings of the entire student body

The officers and their duties were the following. Ron Randall Commissioner of Activities, was responsible for booking and organizing all assemblies; Steve Fahy, Commissioner of Sports, related the events and problems of the entire athletic program to the student body; Gayle Murray Commissioner of Publicity, informed the school, parents, and community of all school activities, Cindy McMillan, Commissioner of Pep and Morale, provided everyone with school spirit through the rallies and pep club presentations

The Executive Council was truly a vital part of the student government of El Segundo High School

Class finances and class activities were the major concern of

The Senate

They provided communications between the student government, the school, and classes. ASB Vice President Mike Jellison, was the presiding officer of the Senate this year, and helped classes organize money-making activities and Wednesday class meetings. From the Homecoming to the spending of class funds, the Senate was busily at work

Each of us had the opportunity to have our ideas and opinions heard through the

House of Representatives

This year the House was headed by Speaker, Ken Dalgleish, Scott McGregor, Speaker Pro Tem; and Tara Stewart, Secretary

Members of the House were elected in each second period class and problems and topics for discussion came from these classes. The House was responsible for getting the new scoreboard, putting up football posters around town, putting on another successful carnival, and looking out for the general welfare of the entire student body

Drill Team.

Colonels Tara Stewart and Elen Thomas and teacher Mrs. Sandy Behrmann made the dreams of a greater Drill Team a reality by putting the girls through some rigid practices and routines every day during 4th period and after school. At the first of four home games, they rocked out to "25 or 6 to 4" by "Chicago". "Circus Time", "Roaring 20's", "Cha-Cha-Cha", and "Can-Can" were other themes performed by the Drill Team and Band for the appreciative audiences in the bleachers. The splash of blue and gold pompoms waving in the stands added to the spirit of the Eagles and fans alike. Determination to change and improve won out for everyone as the Drill Team moved ahead to lead the school in spirit.

Those days you wish would never end were the days of pep rallies, football games and

Marching Band.

Over 80 students gathered their talents together to create one of the best bands in the South Bay area. The community as well as the school applauded the performances of this group at games, rallies, and especially at Homecoming. Assisting band instructor Mr. Richard Tash with this outstanding group were Ron Randall, drum major, and Roc McNaughton assistant drum major. Vitally important were the many band officers, managers and librarians of each class. The Eagle band looked great and sounded even better.

For every home football game there was a

Marching Band

Although the band members complained and griped about all the practices, they enjoyed the fun and companionship found in such a large, active group. A small pep band usually played at all away games which added to the school spirit. The band had a chance to compare themselves with bands from other schools in several band reviews throughout the year. They sold stadium cushions to help raise money for trips and other band activities. All agreed that the marching Eagles added much to our student life.

"You are mad," said Alice to the rabbit, and it was a Mad-Hatter's Ball! Tumbling into the "Alice in Wonderland" at the Hacienda Hotel South Starlite Room on October 30th were over 220 students to enjoy the

1971 Homecoming Coronation.

Sponsored by the Golden Eagle Annual Staff, this year's Coronation was another big success. Barbara Albinus and her committees labored hard and long to provide the entire student body with a "Wonderful Wonderland" and an evening to remember. Music was by the Colridge Taylor band. Climaxing the evening was the crowning of the 1971 Homecoming King and Queen-Mike Jellison and Betty Young!

Homecoming

was not far behind. In keeping with this year's theme, "Through the Looking Glass", Pep Club recreated Alice and the White Rabbit at the Homecoming Rally. The football team was presented a spirit chain full of good wishes and a letter of good luck from the King and Queen. Blue and gold spirit dots were all over campus and added to the spirit which helped the team to an 8-0 victory over St. Monica. The Key Club and Epsilon Sigma float, a huge playing card of the Queen of Hearts, walked off with first prize for the second year in a row. Missing from the parade and activities was the Junior Class float, a victim of vandalism by some less mature students on campus.

This year's Grand Marshall was Mr. Stevenson, a great supporter of all Eagle events. Completing the parade were the Junior and Senior High School Bands and the Royal Court of class princesses and princes.

It is rumored that many students at ESHS go to school just to see the

Assemblies.

This year many fine assemblies were presented to us through the efforts of Ron Randall, Commissioner of Assemblies. Along with the usuals, such as the chorus and John Goddard assemblies, there were new presentations such as the "Athletes For Youth" assembly

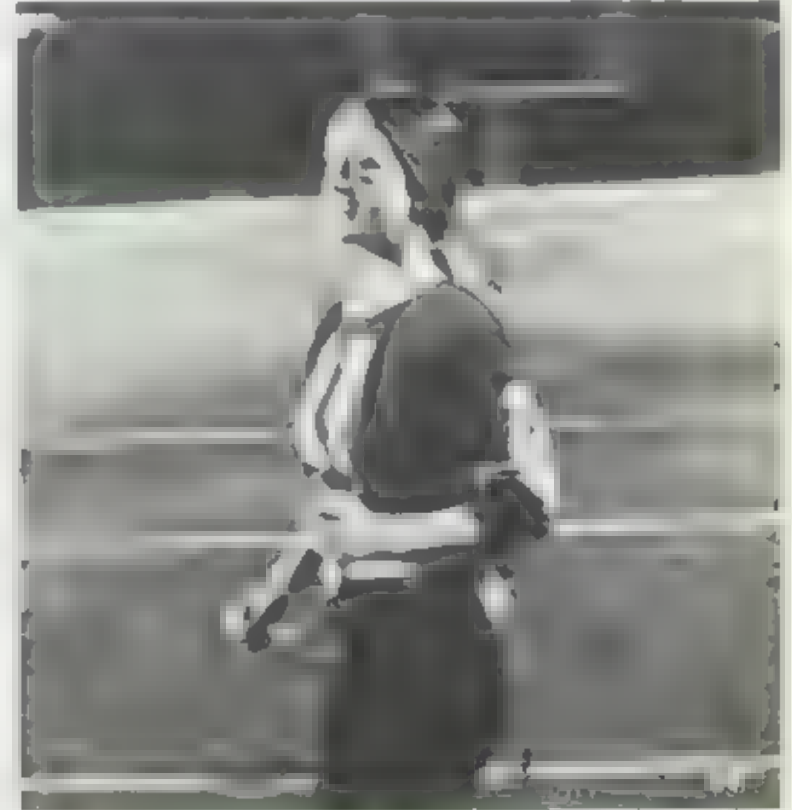

1. John Goddard narrates one of his always exciting travel films. 2,3,4,5; Susan Horst, Vicki Jellison, Betty Young, and Jim Peterson model some of the latest fashions for the girls' fashion show put on by the Broadway. 6. The beginning girls' and boys' chorus entertain at one of the chorus assemblies. 7. Dave Hull, Wes Parker and Jim Lelebyre answer questions from the audience at the "Athletes For Youth" assembly. 8. The advanced girls' chorus waits for their cue. 9. The seniors put up an invincible wall on offense while Donna Cowan runs for a first down. 10. The senior cheerleaders show their great form. Don Bell, Bob MacGregor, Pat Giery, Carl Wilson, Glenn White, Mike Jellison, Arne Elmore, Sandi Schrader, Alan Brown, Stewart Swiggum, Sean Cronin and John Peterson. 11. The senior cheerleaders were always ready to cheer their team on to victory. 12. The seniors came through at halftime psyched up to win. 13. A touchdown for the seniors! 14. Senior, Debbie Summers hustles off the field. 15. After much effort, senior, Cindy Hull got the flag of junior, Phyllis Helvey.

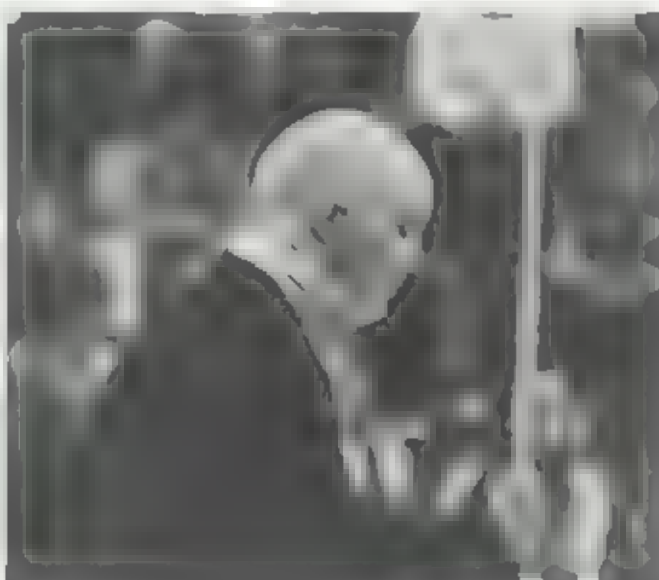

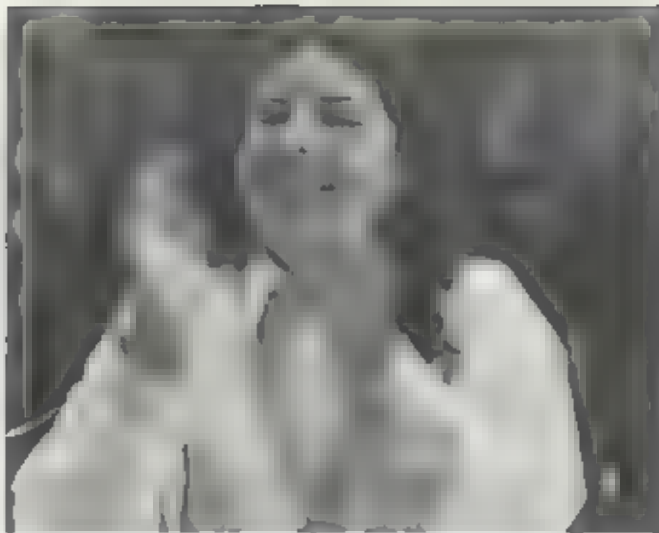

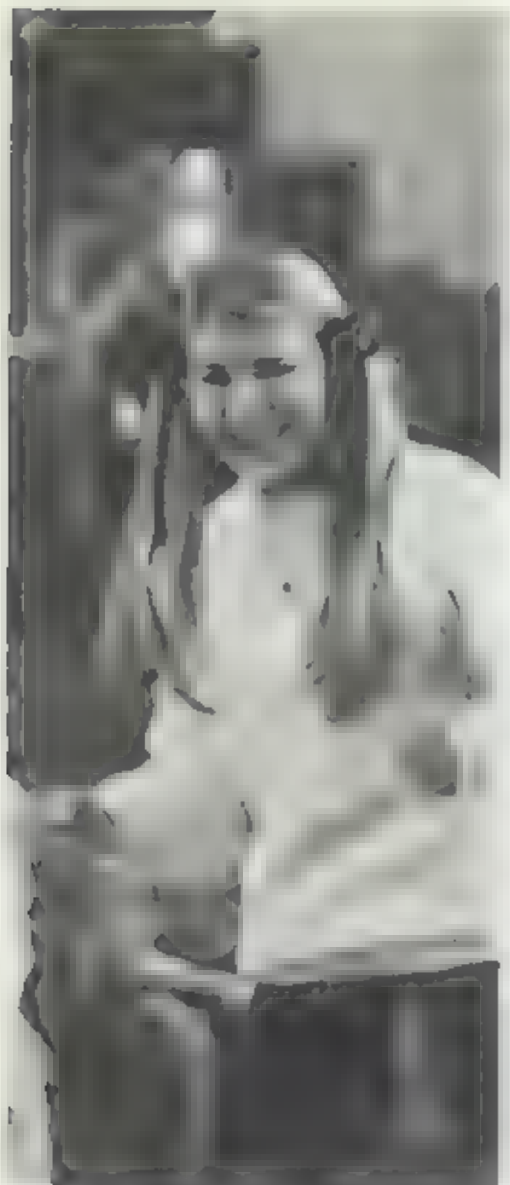

A new event for everyone to enjoy this year was the

Powder Puff Football Game

between the senior and junior girls. The seniors coached by Mr. Hale, pulled a 14-8 victory over the strong juniors coached by Mr. Whittington. Many favored the seemingly stronger juniors but the swift ground movements of the seniors triumphed. At halftime the juniors enjoyed an eight point lead over the seniors but were never allowed any more after that.

1. Idonna Snow can't keep from laughing as she promotes spirit. 2. "E-S H S fight, fight, fight," shouts JV cheerleader Jereze Milleville. 3. Conductor Gayle Murray leads the spirit band. 4. In a skit to promote spirit Susie Horst finds herself in a trash can. 5. Mascot Lynn Wendell heads the "V" for the Alma Mater. 6. JV Vicki Jellson waits for a cheer to begin. 7. Sue McKean displays her abilities in a flag routine.

Skits, cheers, routines, and jokes were all used as part of this year's

Rallies

Pep Club tried to instill in the student body an Eagle pride and support for all teams. One of the biggest successes was "Old-Fashion Day". At the rally, the gym echoed with the music of Woody Herman's band which was "really cookin' on the front burner". A five dollar prize was awarded to the Juniors for having the most participation. Other rallies included class yell competitions, teacher participation, and pep talks from the coaches. Many hours of preparation went into each rally in hopes it would lead all teams to victory. Rallies were something to look forward to for they were a happy ending to a long school week.

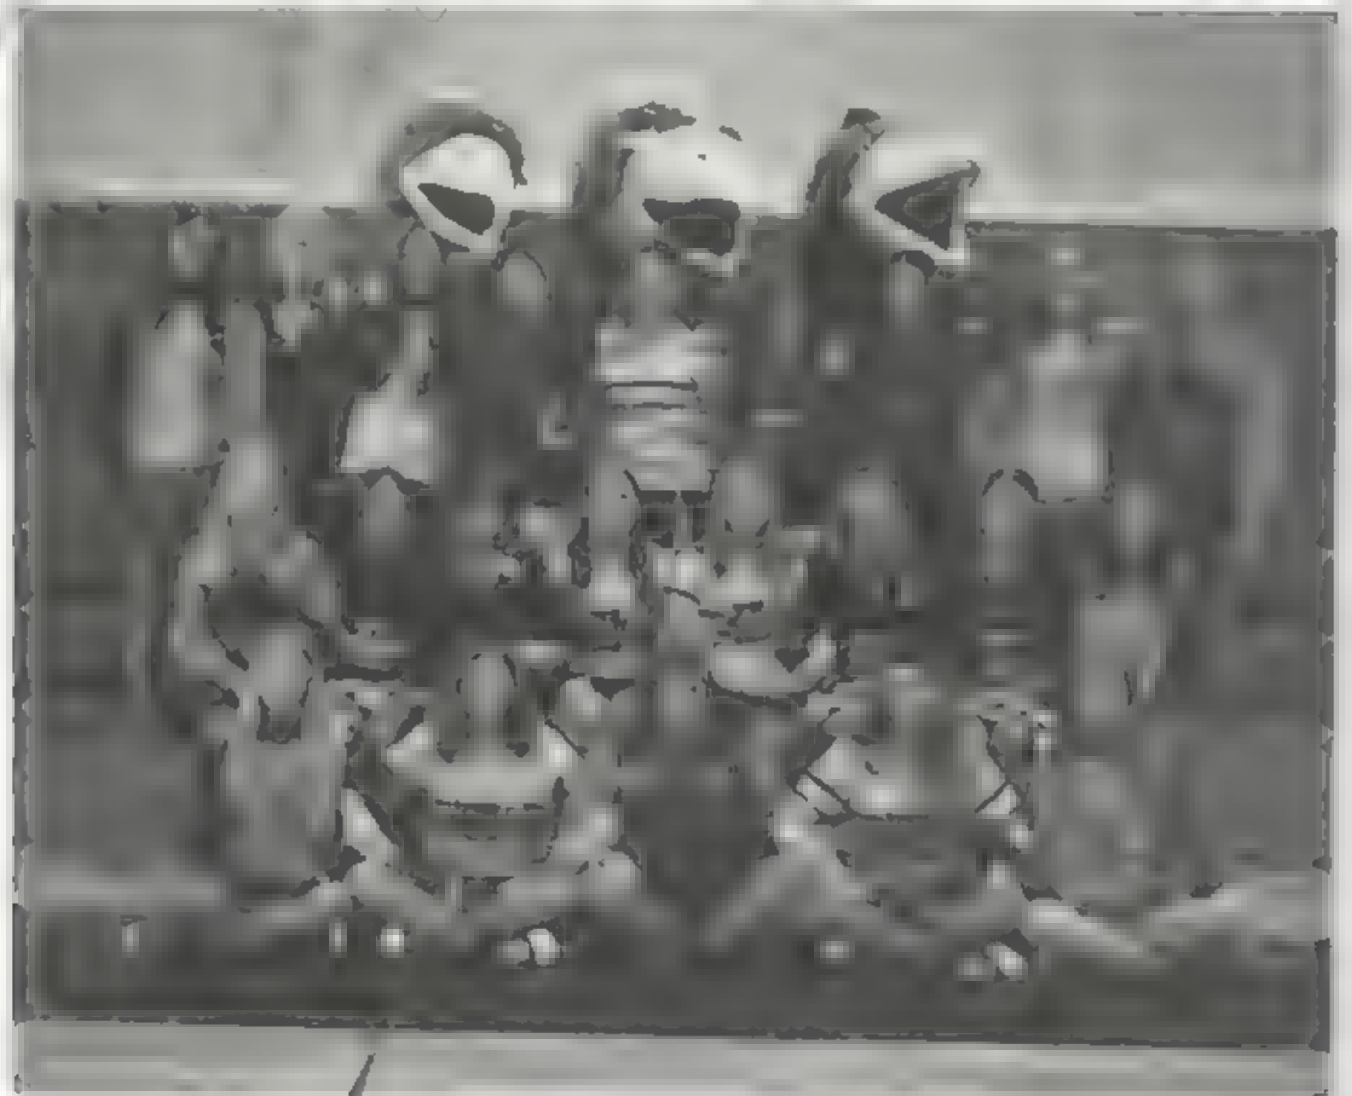

1. In from the 40's a group of swingers are caught bee-bopping. 2. The Fire Department delivers the new Pep Club to the opening rally. 3. Song girl Gina Turino says, "Hi" to the student body in the hello skit. 4. Varsity Cheerleaders line up for the Eagle spell out.

Starting out like a 4-alarm fire, the

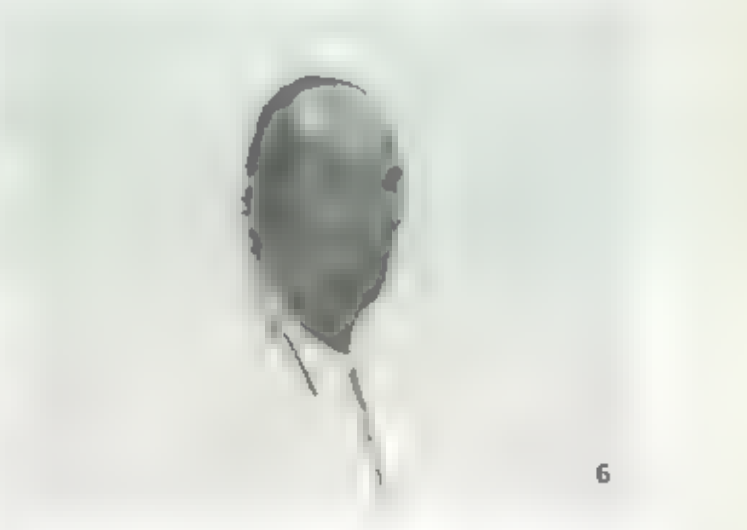

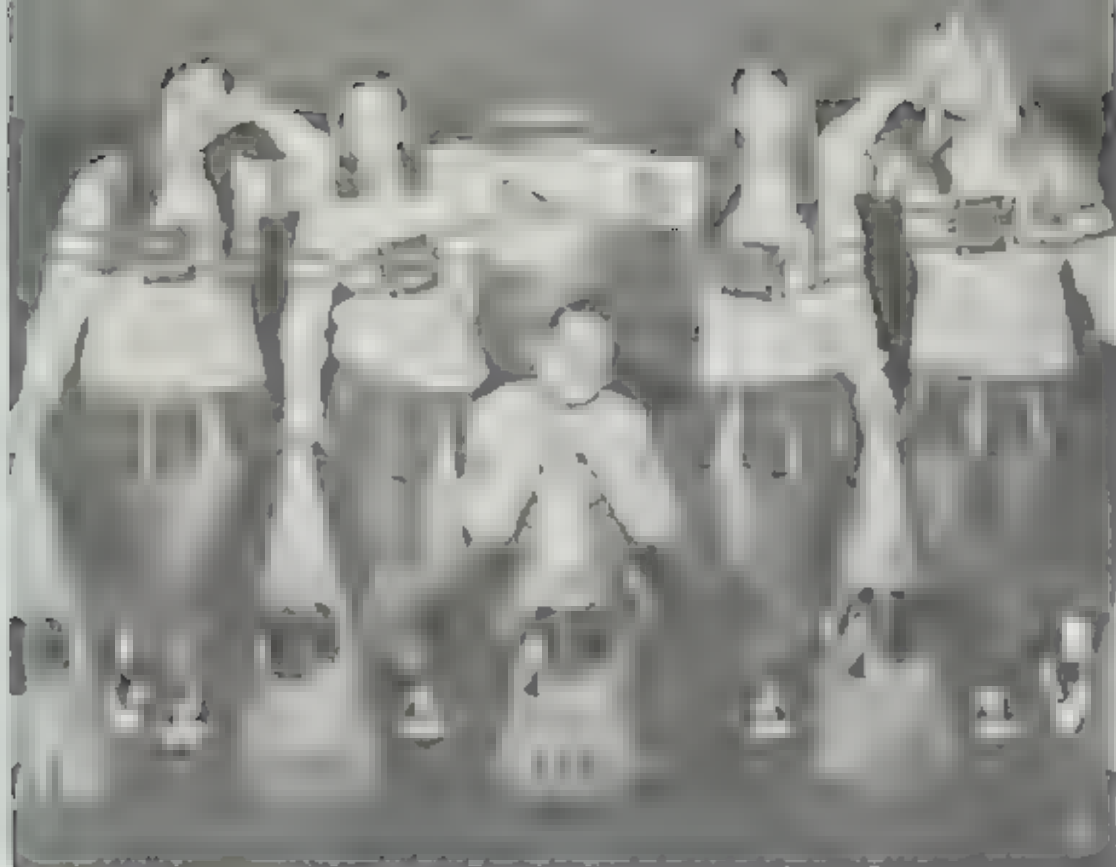

1971-72 Pep Club

made their debut at the first rally via the El Segundo Fire Department, truck sirens and all! And these peppy girls were "red hot" in the spirit all year. They did more than lead cheers at games and plan pep rallies. They started a fire under the student body to get some spirit. A spirit chain at Homecoming and blue and gold spirit dots were new and different. They planned meals and favors for the teams and promoted the spirit for the Eagles to play their best at all times. Maybe ESHS doesn't always show it-but the Pep Club is really appreciated and always will be. Thanks!

It was a year of fun and action under efficient leadership for

Girls' League

In the fall they showed the freshmen girls around campus and sponsored an Orientation Tea for all girls new to ESHS. All through the football season they sold rooter ribbons and buttons to help promote school spirit. A fashion show assembly sponsored by Broadway and Girls' League provided a groovy assembly for the girls. The usual Christmas canned food drive was climaxed by the Christmas Dance December 11th in the boys' gym. Valentine telegrams, Girls' Week, Father-Daughter Sports Night, and the traditional Frosh-Senior Sister get-together kept everyone busy and entertained throughout the rest of the year. Perhaps one of the best activities was working with the El Segundo Women's Club with the POW and MIA program. Betty Young was this year's President. Mrs. DeSmidt and Miss Gelinas were this year's sponsors. Look to this day and to yesterday for a happy, eager, helpful Girls' League.

Key Club

has always meant service to the school and to the community. This year was no exception. With Mr. Watkins as their sponsor, and Bob Kessener as Key Club president, the members were able to work together to perform these many helpful services: ushering at various plays and performances, taking tickets at all home football games, being officials at the Christmas parade, and filling Christmas stockings for needy children. They also helped out at the Child Development Center. The Key Club and Epsilon Sigma float won first place in the El Segundo Homecoming festivities. Throughout the year both organizations worked together to make service projects a reality.

Continuing in the tradition of service to school and community was

Epsilon Sigma

This honorary girls' society did much to help the school and the community. In September, Epsilon Sigma, along with Key Club, helped lost parents find their way to classrooms on Back-to-School night. They sold tickets at home football games and handed out POW pamphlets on Veterans' Day. The night of November 23 they

supervised and worked at the Senior-Junior girls Powder Puff football game—and a few members even took part as the senior girls zoomed to victory. At Christmas time they sold candy canes to raise money for their club and journeyed to the Hawthorne Community Hospital where they sang carols for the patients. In the spring they had their traditional "Come as you are" breakfast initiation and worked on numerous other service projects. This active, concerned group of senior girls can truly look to this day and every day as a day well lived.

"Walk together, talk together, people of the Earth" . motto of AFS. Walking and talking with us on the ESHS campus this year were two

AFS Foreign Exchange Students.

Irene Miha from Greece and Judy Zimmerli from Switzerland proved that young people can achieve the purpose of AFS— to bring people from all over the world together. Irene Miha practiced friendship and she soon became a friend with the students, faculty and community as she spoke at assemblies and civic clubs, telling us about her native Greece and its great history and customs. She enjoyed the American system of education that offers students the opportunity to choose their classes. Although she had a time adjusting to our American food, she did develop a liking for fried chicken and hamburgers. When not playing volleyball, reading, or swimming, Irene was talking and visiting with her many American friends both on and off campus. Her message to us was "Trust yourselves" and "Thanks to ESHS."

Judy Zimmerli came to our campus from the beautiful snow covered Alps of Switzerland. California was a definite change in weather and also in education. At ESHS she went on field trips and had to choose her own classes, neither of which was permitted in the schools of Switzerland. One of her favorite classes was Behavioral Science because she liked to meet and study people and their behavior. Judy also liked to travel and found the American people both friendly and helpful. Judy likes American peanut butter and, like other Californians, found that a car was a necessity to get around.

Although life in El Segundo was different for our AFS students, they added a charm and enjoyment that filled our life with happiness. ESHS will miss Irene and Judy and will remember them always. Best wishes go with them from our campus and community.

Providing activities and experiences to help promote the friendship and organization necessary to support the AFS Exchange program, this club had a busy year. The annual pancake breakfast, a car wash, and the Dollars for Scholars march kept the members and AFS President, Joyce Cuthbertson, and sponsor, Mrs. Karin Shipley, busy planning and working all year. All of us will look well to the day when all people from all over the world will walk together and talk together in bonds of friendship through the efforts of the AFS program.

Athletes came in all sizes and shapes as both boys and girls participated in the Eagle

Sports.

The autumn leaves were still on the trees as the football teams took to the gridiron to kick off the year to a good start. The varsity football team found the season a little rough and disappointing, but the Bees and Cees both took Pioneer League

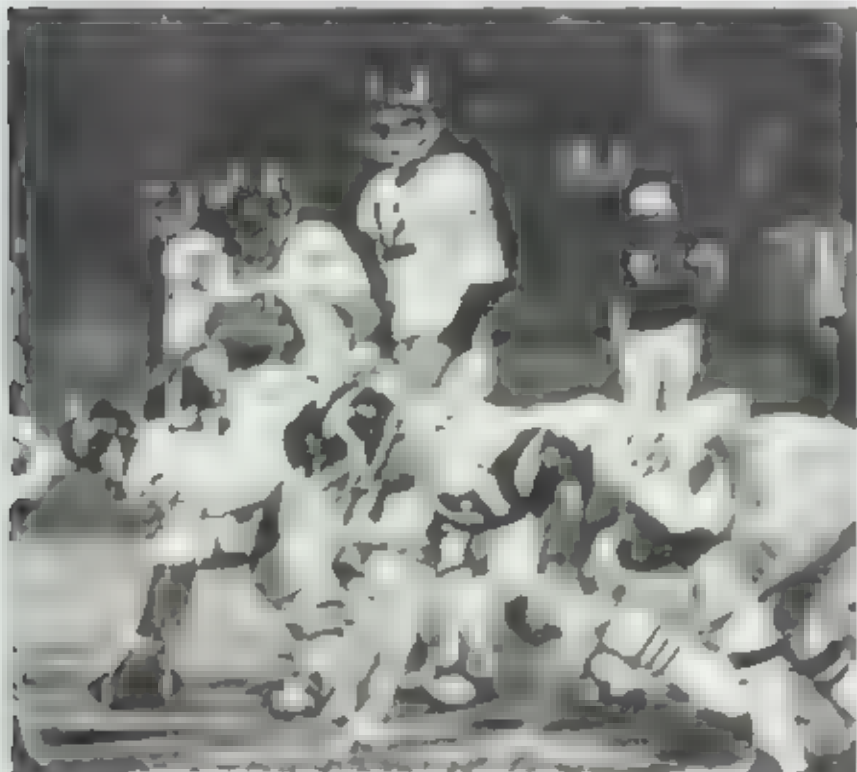

Championships. While all of this was happening, the Cross Country runners and Girls' GIA Volleyball were making news with their victories. As the winter season approached, the basketball teams and wrestlers prepared to take on all competitors. Spring brought the swinging bats of baseball and girls' softball, and the fleeting feet of track. All in all, sports played a big role in making each day memorable, giving us hope for further success and for progressive character building in the future.

With only two returning letterman the

Varsity Football Team

was forced to initiate a rebuilding program. Although they only won two games, the Eagles gained valuable experience toward next season. The defense was stingy most of the season, but the offense didn't get in gear until the last few games. Led by captains Steve Fahy and Bob MacGregor, the Eagles always impressed their opponents with their never-say-die attitude. No matter what the win-loss record was, the Eagle fans stuck behind their team because they knew they would always see great, hard-fought football.

team started slowly and finished champions. Entering league play, the Eagles had no wins and three defeats.

Then the coaches decided to go with a whole new offensive set. Behind the Most Valuable Linebacker Bryan Smith, and Most Valuable Backs Mark Weinstein and Tom Soto, the offense and defense soon formed into the league's best. In league competition the Sophs went undefeated and outscored their opponents 179-40.

All agreed that the 1971 Soph Football Team's championship season was a great maturing experience.

El Segundo's 1971

Varsity Water Polo Team

with a small squad of 7 Seniors and 5 Juniors had the most successful season since 1965. They compiled a record of 19 wins and only 3 losses, which took them through the third round of CIF playoffs before being eliminated by Lakewood 8-5. The Pioneer League dropped water polo this year and El Segundo was forced to free lance. The Eagles played a strenuous season schedule, which included 9 games against teams that qualified for CIF Playoffs. However, El Segundo's very impressive record of 17 wins and only 2 losses for regular season play qualified them once again for the CIF Playoffs. A highlight of the early season was El Segundo's surprising victory in the South Bay Tournament. After impressive wins in the first three games, Burroughs 22-3, Miraleste 15-7 and Mira Costa 14-8, El Segundo beat the favored Crescenta Valley in a fast and exciting game 16-11 for the Tournament Championship. Another satisfying victory was the 7-6 win over traditional rival Whittier HS, in the El Segundo pool when Clevenger scored his 5th goal in the 2nd overtime period

In the first round of CIF, El Segundo drew Costa Mesa. In a thrilling game played at El Camino College, the Eagles were down 0-2 in the first quarter, but they fought their way back to a 7-6 victory as Clevenger fired in 6 goals and McNulty added one. They were supported on defensive play by goalie Ben Hobe and guards Dave Sheehan and John O'Connor. The second round brought a surprising win over favored Los Altos. The Eagles were down 0-2 in the first minute of the game, but had a final victory of 9-7. Clevenger had one of his finest games, scoring seven goals in seven attempts. The third round brought Lakewood for the 3rd straight year and once again the Eagles were not able to cope with the overpowering Lakewood defense and a 5-8 loss ensued

Senior Gordon Clevenger had an outstanding season record, as his tremendous scoring ability and all-round play accounted for most of the Eagles victories. His fantastic season record of 138 goals out of 250 attempts for a .555 percentage was the best in all CIF play this year. It also ranked him 2nd in total scoring and 5th in season percentage of scoring in El Segundo's all-time records. Clevenger was selected, along with Sunny Hill player, Greg Carey, as 1971 All CIF Co-Players-of-the-Year. Junior Brian McNulty, who furnished most of the scoring support for Clevenger was named to the 1971 All CIF 3rd Team. Ben Hobe in his first year as goalie, after sitting out a year of competition saved several close games with some spectacular stops. Dave Sheehan, John O'Connor and Richard Botfeld were outstanding defensively during the season, while Brad Liedke and Steve Hamaker usually controlled the center of the pool with their speed and strength. Junior Ben Brookens missed the first 7 games of the season due to illness, but bolstered the offense in crucial games with his left-handed lob shots.

With another change this year in waterpolo the

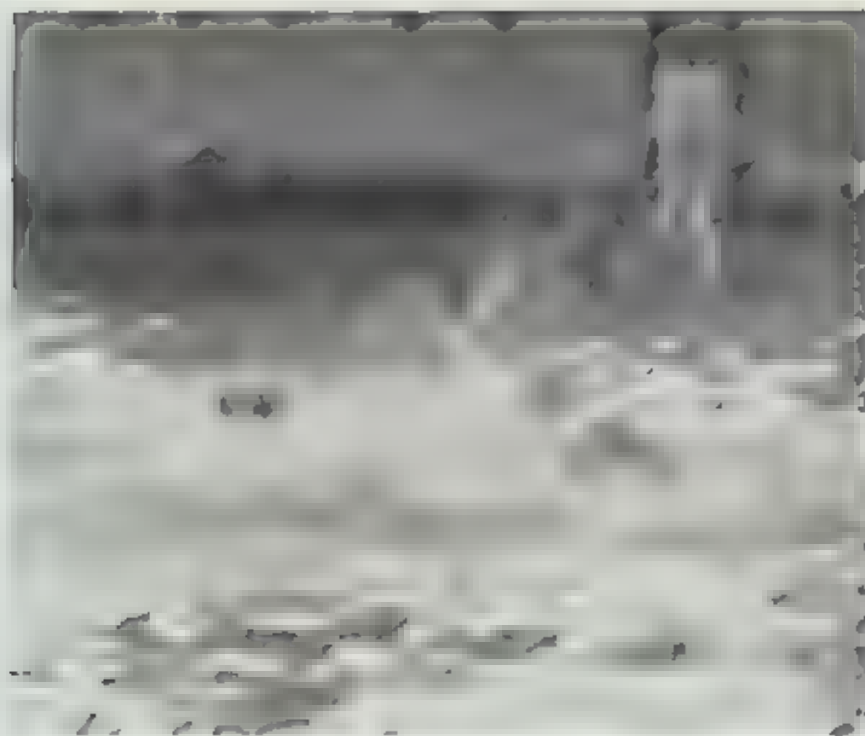

B-JV Waterpolo Team

was the most complicated. The playing of squads this year was dependent upon the classification of the teams from opposing schools. Some players had exponents for JV playing and others for Bee. If an opposing school was classified as Bee our JV players had to go up onto the Varsity roster. The B-JV squad was only at its strongest when the JV players came back from the Varsity squad. David Botfeld made a sudden death goal to highlight the Long Beach Wilson game. Rick Peterson and Rod Randall played steady ball for their seasons and Richard Botfeld had a fine day at the Mira Costa 'B' Tournament to help us to a 4th place standing. The B-JV squad finished their season with 3 wins and 11 losses.

The win-loss record of 1 win and 10 losses can be a misleading reality for the

Cee Waterpolo Team

The success of this season should be measured through experience. The considerable playing time the majority of the team members collected was indicated by the success they enjoyed as Cee Waterpolo players. The Cee Team was centered around the experience of Paul Guy, Tim Randall, Kirk Wolfsberger and Ben Bogossian. The speed of Mark Berenger and goal keeping of Eric Atkeson were real assets to the Freshmen

With the combination of first year wrestlers and seasonal veterans

The Varsity Wrestling Team

has made the best showing in three years. This year's co-captains, Jeff Johnson and Jack Roberts plus the team's wonder-machine, Mike Sutherland, had excellent records in dual meets. Other outstanding wrestlers were Ralph Byrd, John Curia, George Gigena, and Bob MacGregor

This year's
Varsity Basketball Team

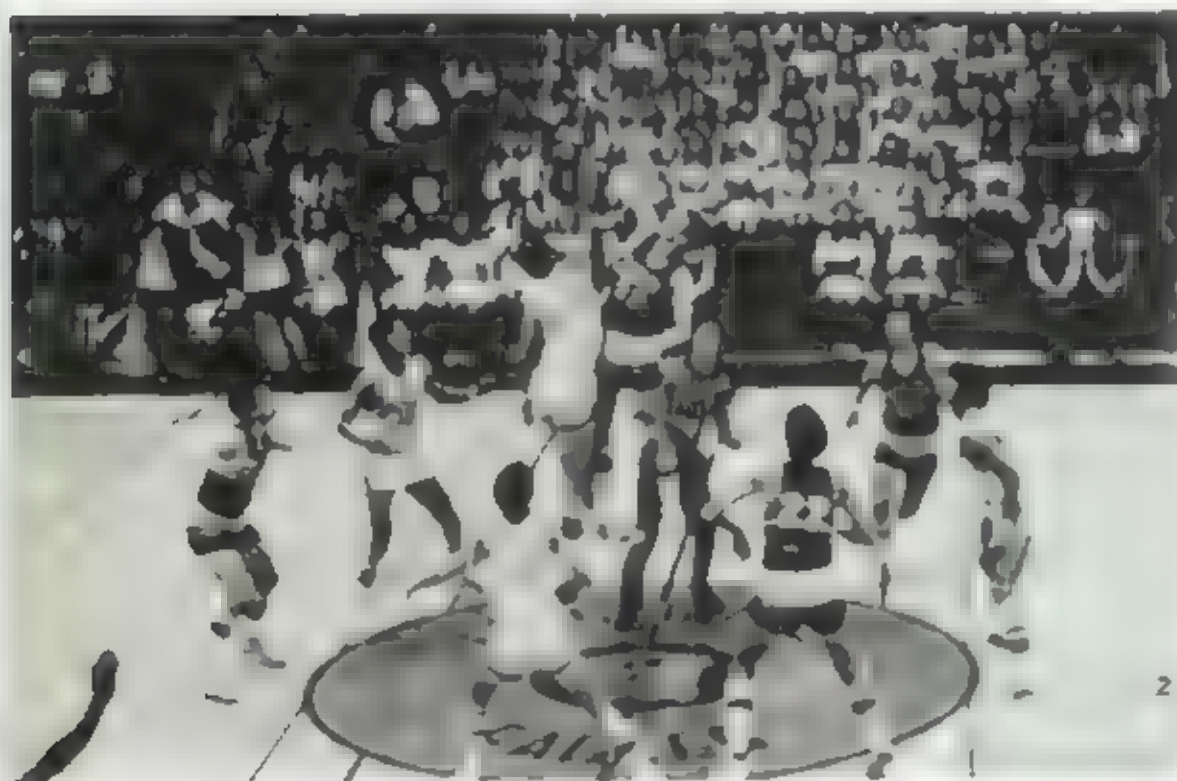

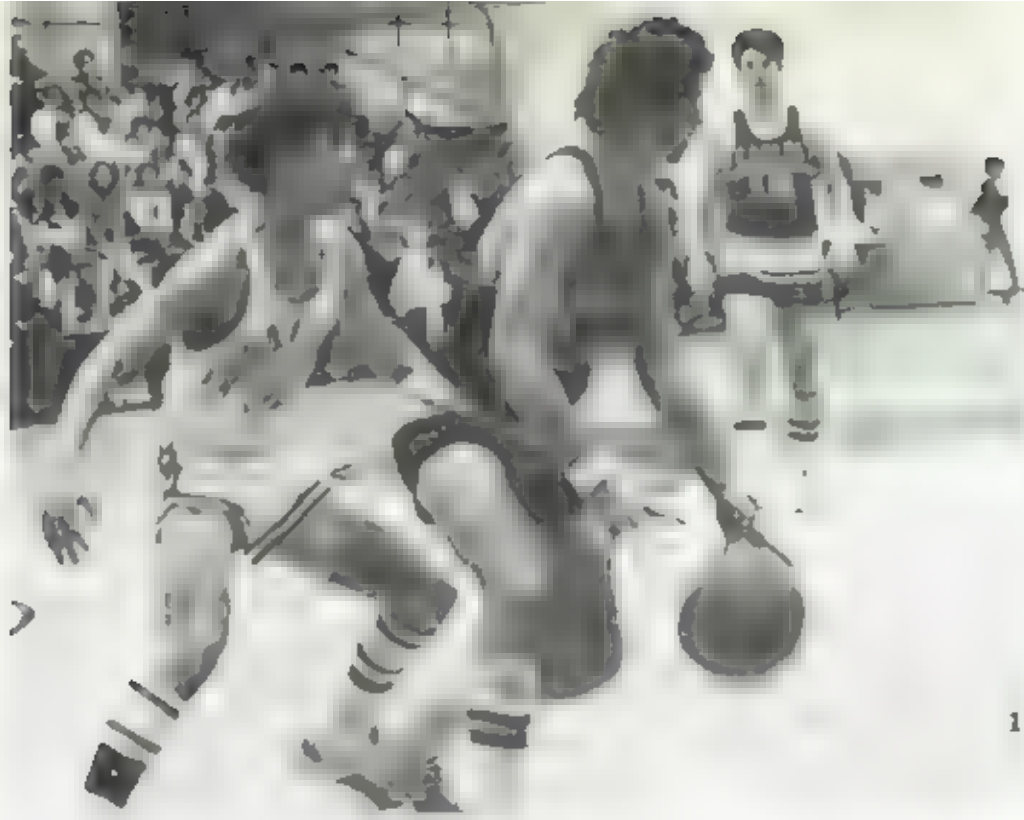

started its season with a burst of wins climaxed by several fine showings in some tough tournament competition. In the Norwalk Tournament the Eagles took a third place standing, losing by only two points to the second team, Rolling Hills. They also took third place in the Inglewood Tournament. Strangely enough, the "shuffle" offense hardly ever seemed to click, and the Eagles didn't congeal during league play as expected. For a team that had the best potential since 1967, they were plagued by bad passes and poor team co-ordination. Through the efforts of Coach Joe Hern, the talents of the fine athletes that made the team what it was, were exploited. Many great plays and good shooting were testimony to the long hours of practice completed by the Eagles. Co-captains Tony Pleick and Mike Jellison could generally be found in the middle of the action rebounding and fighting for the inflated piece of leather. Tony, with his stylized form and cool ball control was inspiring. Another great shooter was Dave Long, the only junior in the starting five. In the rebounding department were Steve Leal and Mike Jellison who acted as both forwards and centers. The loss of starting guard Scott McGregor was compensated by the acquiring of Sophomore Eric Tidwell from the JV team to fill his position. Although the Varsity Basketball Team never placed well in league competition, the success of the year was observed in the improved playing and the individual knowledge gained through competing with other schools. This year the Eagles had pride. And when you've got it, flaunt it!

This year's

Junior Varsity Basketball

team was considered the best to come along in eight years. Sophomores led the way with the starting line-up consisting of Eric Tidwell, Tom Soto Sam Shriver, Jeff Hancock, and Hugh Kelly the only Junior in the starting five. The JV's got off to a fantastic start as they won 10 pre-League games. However, leading scorer Eric Tidwell who averaged 20 points per game was moved up to Varsity at the beginning of League action. Sam Shriver led the team in rebounding while Tom Soto led in assists and steals

When practice started on the first of November, the

Sophomore Basketball Team

outscored all opponents in scrimmage games. Matt Stewart was injured and on the bench all of December and half of January. Then things started looking better. The team was rebounding better; their free defense was beginning to shake up the other teams. Kyle Rawson, Matt Mullins, Tim Cargill,

Fred Retzlaff and Bryan Smith were helping the team considerably, and the scores were getting closer as the sophs headed toward the league championship.

The

Freshman Basketball Team

had a good offensive attack and played tough man-to-man defense which offered hope and potential for the future. Contributing to the team's success were captain Ken Craig, Joe Purvis, Darrell Roach, Jim Berggren, Mike Shanks and Dave Allen. As a team, their weakest point was inconsistency, however, they were a highly spirited and explosive team that kept the coaches looking forward to a bright future.

Turning in a winning season of 5 wins and 3 losses and placing 5th in the 1971 final Pioneer League standings was

Varsity Cross Country.

This winning record can be attributed to the very hard work of many of the runners who started during the summer months to prepare for the long hours of running. Winning special medals in the finals were Mitch Ward and Glen Coles who pulled 2nd and 3rd spots respectively. Glen Coles was voted the most valuable Eagle runner while Richard Chabrajez received the Most Improved Runner award. Coach Terry Crystal praised all 7 of the Cross Country runners for an outstanding season.

The GIA Volleyball Team

did quite well this year. The Volleyball Team only lost one match to the League Champions, Lawndale High School. Although the players were inconsistent in scoring and hitting they were exciting to watch on defense due to the fact that they were fast on their feet. The Most Valuable Player was Donna Montz who served and spiked consistently. The team did well enough to make the Post-Season GIA Inter-League playoffs, but lost in Round 1 to Mira Costa High. Although this was El Segundo's first year in

GIA Basketball

competition, the team developed a good zone defense and had lots of hustle. The girls had some trouble in handling the ball and scoring consistently, but, Debbie Landreth led the team in scoring and Debby Cottriel did a good job rebounding. The team made the semi-finals of the Consolation Bracket in the El Camino College Pre-season Tournament. The captain of the 'A' Basketball Team was Grace Hammack and the co-captains of the 'B' Team were Nancy Stephens and Brenda Newman.

The varieties and realities of our existence at ESHS were often found in our classes and

Academics.

Facts were separated from fiction as students researched papers and read books and listened to records in search for truth and knowledge. Teachers guided us and helped us in our quest for answers to problems and questions. Sometimes we were told to create and discover on our own; other times we had to listen and absorb another's knowledge. Sometimes we never found out or never learned. The splendor of beauty became a reality in homemaking or art class or auto shop when students produced tangible results. Grease from the auto shop or clay from the potter's wheel were a part of learning. School was a place to learn and grow-to seek and to find. Some succeeded more than others, but each was making every day a yesterday of learning and happiness. Look well, therefore, to the days of classes at ESHS for they are your memories of yesterday and your vision of hope for tomorrow.

Focusing attention on meaningful events of America's past, and examining and interpreting those social, cultural, political, and economical movements which helped shape American life today was the subject matter of the

Social Science Classes.

Included in this department of our curriculum were the Frosh Social Studies and Geography, World History, U S History, Civics, Behavioral Sciences and Psychology Classes. Since four years of Social Sciences and English are required for graduation, these two departments combined two years of requirements in World Humanities (English II and World History) and American Studies (English III and U.S. History) which some selected students could take in place of the regular history classes. Independent study groups, guest speakers and student projects sparked the students into learning about yesterdays of history and into planning for the new tomorrows

A pre-vocational course for students interested in pursuing a career in librarianship or a course for college-bound students who needed experiences in the use of the library for reference and research was

Library Science

Working in the new Instructional Media Center offered many enjoyable hours for students as they classified books and assisted the librarians in the library duties. Library Science was an elective course whose only prerequisite was to have the desire to work and the consent of Mrs. Doris Rosenberg, librarian.

Two new innovations proved to be most successful this year, one was a free library card which entitled students to use both the

Media Center

at the High School and the El Segundo Public Library. The other was the opening of the library from 6:30 - 8:30 Monday and Tuesday nights. Students were free to use the many new facilities from books, references, tapes, records, and all audio visual equipment to prepare their lessons and increase their knowledge. Students looked toward each day with more interest in learning than ever before.

Housed in the new Media Center and assisting in maintaining classroom and library audio visual equipment were the

Audio Visual Classes.

Students repaired, transferred, and operated the special equipment such as projectors, record players and the new video-tape machine. The class was a service organization as well as an elective class for students of all grade levels. They were taught the responsibility and care of equipment as well as some technical knowledge of preparing tapes, transparencies, and other media. Supervising these young technicians was Mr. Dick Robinson.

Concerned with the students and student life on campus was the goal of the

Bay Eagle

Three new features, "Mystery Guest", "Student Hobbies and "Fractured Facts," a column featuring unusual facts about things that happened to students, added to the diversity of the school newspaper. In addition to the usual news items about sports and school activities, hard hitting editorials ranging from editorial censorship, 18 year vote to wage controls provided the student body with something more than the usual "school paper". With the help of the Journalism teacher Mrs. Holliday and the Editor-in-Chief, Kathy Hutchinson, the Bay Eagle Staff produced a paper that challenged us to think and evaluate our opinions as well as informed us of the campus news and activities

Hard work, integrity, and a great desire to produce a yearbook were the chief ingredients of the staff of the 1972

Golden Eagle

Under the leadership of co-editors Bob Kessener and Bob Pedersen the staff put their pencils to their I-r's and their cameras to their eyes and produced an annual that will help you to remember what you don't want to forget - the sights and sounds of 1971 - 1972. The Golden Eagle looked at life on campus and began to get it all together for the big day in June when yearbooks were distributed. Choosing a theme and cover design and electing Mr. Duffy for the dedication were as important as the pictures of football or rallies. Look well, therefore, to this day, which is relived in pictures and words in the 1972 Golden Eagle

Combining the old with the new was the good of this year's

English Classes.

Requiring four years of English for graduation, ESHS offered some new classes in addition to the traditional English I, II, III, and IV with their basic skills and literature approach. Science Fiction, Communications through Media, and American Novel emerged as newcomers and were warmly received by all students. The not-so-old classes of American Studies (combined U.S. History and English III) and World Humanities (combined World History and English II) were still around using the team teaching approach to interest students and increase knowledge. Speech, World Literature, Journalism, and

Drama snared those students with special talents or interest. From **Julius Caesar** to **Macbeth** from "a verb is a work that asserts" to "the subject of the infinitive clause is in the objective case", English classes were an endless cycle of learning and working and appreciating the beauty and importance of our national language, the English language!

Many students of the 70's will have to live in the real world of work. Preparing them for this life was

SCROC

The SCROC facility, located on Crenshaw in Hawthorne, offered courses in skills such as data processing, medical and dental assisting, welding, and T.V. repair both for the non-college student and for those college bound students who needed to work to help pay for their education. Two busses left daily one in the morning and one in the afternoon to transport students to and from this vocational training center shared by several schools of the South Bay area.

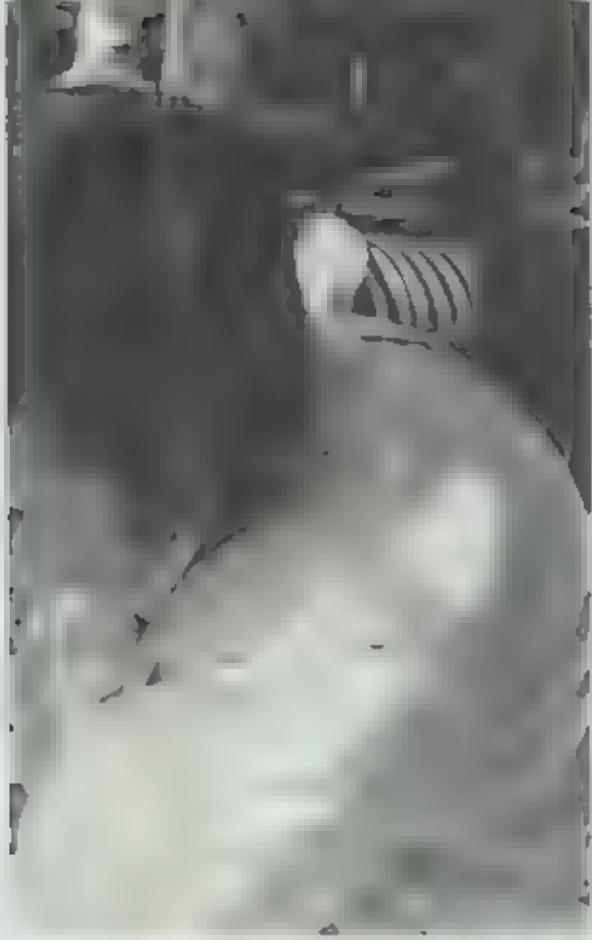

A place to express creativity in metal
or wood was in the

Shop Classes

Both boys and girls were active in
shop classes this year. Many
nteresting projects were made to
be entered in the Rotary Contest
and awards were presented in May
Some of such projects were stereo

and various other projects. The
classes were taught by Mr. J.D. Smith

To train students for office work and to give them practical business knowledge to use in everyday life was the goal of classes in

Business Education.

Students in those classes were taught how to type by Mr. George Hall, Mr. Tony Hess and Mrs. Ann Lenker. Shorthand, Bookkeeping, and Business Math were dictated by Mr. James Anderson and Business Practice was under the guidance of Mr. Hall. These useful classes had a great thing going for them, and both teachers and students spent the year working to improve their skills and talents even more.

The best way to learn music and enjoy it was to
belong to

Beginning Girls' Chorus.

By doing warm-up and breathing exercises and singing new songs, these 9th and 10th grade girls achieved a really outstanding year under the direction of Miss Diane Simons. They performed in the school assemblies, the Christmas concert and Vocal Festivals

The boys of ESHS had a voice in

Boys' Chorus.

This course consisted of boys from all grade levels who have had no previous voice training. Class time was spent on building the voice and developing performance standards.

Boys' Chorus performs for their first assembly. During the year they performed for the Junior High and many other clubs and organizations.

The ultimate in music. That's the two groups known as

A'Cappella and Girls' Ensemble.

A'Cappella, a group of boys and girls who like singing, entertained us at assemblies and concerts. The boys looked sharp in their blue pants and peasant shirts while the girls sparkled in their matching red dresses. This group worked hard but enjoyed every musical minute of it, especially when doing the "Telephone Hour." Girls' Ensemble offered girl singers additional work to improve their voice control and to handle more difficult music. These girls had to sight read, sing well, and have a serious attitude toward music. They performed for the Women's Club and Senior Citizens and also competed in Song Festivals. Their long, white dresses typified the sophistication of this outstanding singing group.

Row 1: Robin May, Judy Jesse, Lowe, Karen E. Jenkins, Lynn S. Ithier and Row 2: Nancy Mason, M. Ann, Fetrow, Valerie VanNatta, Lisa Hamaker, Susan Horst, Sally Mason. Row 6: Valerie Groff, Terry McMullin, Lori Durbano, Patty Misner. Row 7: Caryn Shoemaker, Jamie Shannon, Karen Lutz.

Comprised of mostly 10th and 11th grade girls.

Advanced Girls' Chorus

performed at the school assemblies, the Christmas concert, and participated in the Southern California Vocal Association Festival. Producing a good chorus required a daily routine of warm-up exercises to improve the voices and learning new songs to perform under the direction of Miss Diane Simons, music instructor Juanita Ramsey, President of chorus, and Caryn Shoemaker narrator for "Fiddler on the Roof" in the fall assembly, were two outstanding members for this year. It was a funpacked year for hard working enthusiastic girls who wanted top notch performances, and gave just that.

Providing a jazz and rock medium for the more advanced students was the Instrumental Music Department. Mr Tash, and the

Stage Band.

Performing for assemblies, Rotary, Kiwanis, and other local civic groups kept the Stage Band rocking and jazzing. One of the traditional activities was the Junior High assembly, where the reception was almost "unbelievable"

Approximately 45 girls from grades 10 through 12 began each day with dance warm ups and exercises. The

Beginning Modern Dance Class

learned the elements of movement technique, choreography, and awareness of personal expression while the Advanced Class worked on more elevated choreography, programs and performances. In the October 28th assembly, dance students explained to fellow classmates what modern dance was to them. The Leuzinger Dance Festival (field trip and competition combined) and the annual Spring Dance Concert gave the Dance Classes goals for their creative minds. Some outstanding senior dancers were Joyce Cuthbertson, Felicia Kongable, Karen Mosher, Colleen Reardon and Lori Robinson. One dancer exclaimed when questioned why she took Modern Dance- "I like the freedom to express myself." Much credit for the enthusiasm of this class goes to the dance teacher, Mrs. Fritz Holmes. To her, and her students, dance is a way of life! Everyone should take it.

A workshop where students interested in art could draw, paint, and create to their hearts' content was a club called

Art Guild

These talented young artists worked on individual projects in room 113 after school on Thursday. Refreshments were served to give them energy to produce new ideas. Mrs. Dodie Daoud, art teacher and sponsor, offered instruction and guidance when needed. Participation in the annual Spring Festival of Arts where students could exhibit and even sell their work climaxed the year's events. Art Guild offered all students of art a chance to grow and expand in an area where talent and creativity existed.

Above Left: Art Guild President, Senoma Stuthard, conducts an Art Guild meeting. Above: Richard Castle tries his best to rival the great master painters. Right: With a little imagination Becky Riessen turns an ordinary bottle into a work of art.

This year regular

Physical Education

was offered on an elective basis periods 1-5. Each six weeks new activities were offered. Students had a choice of the sport or activity they preferred. Boys' and girls' P.E. was combined so that more subjects could be elected. There seemed to be much enthusiasm for this program on the part of the students as well as the physical education teachers.

Looking toward new horizons and new techniques was the active group known as

Future Homemakers of America.

The annual installation banquet held in October started these enthusiastic girls facing the future with "warm courage and high hope" - a line from the FHA creed. At Christmas they sent boxes of baked goodies to our service men overseas, and they volunteered time to the Headstart Program, an activity that offered them the opportunity to work with underprivileged children. Field trips to Farmer's Market and Lawry's Seasoned Salt Factory were extra fun activities. In the spring, a selected group of girls attended the annual Convention held at Asilomar. The future of our American homes looks good.

Always looking for new ideas and projects, the

Homemaking Classes

added a new class, Child Development. Students served as teacher assistants one period a day at Richmond School. This project offered challenge and rewards as well as frustrations and upsets, but it created interest for all. Helping Nan Fisher, homemaking teacher, were two teacher aids, Mrs. Jones and Mrs. Limberg. Student lab assistants were Evelyn Bayes, Chris Saint, Donna Kelly, Debbie Bayes, And Susie Kinney.

The most important facet
of ESHS is

People.

People who believe in people,
faculty in students, students
in faculty, and students in
students. A common goal to
communicate made this year
unique. Every person who
entered through the doors
of ESHS added an extra touch
of personality to it.
Enthusiasm, pride, and
respect were strived for to
bring honor to El Segundo.
We will all remember El
Segundo High and look to this
day for happy memories of
people.

School has been a way of life for 13 years for

Seniors.

Looking back, it seems like only yesterday when the Class of '72 entered the doors of ESHS as eager freshmen, looking up to everyone else and stumbling around to new classes and new teachers. Senior Governor, Cindy Hull, helped to guide the decisions concerning Ditch Day Graduation Night, and a gift to the school. Seniors led the mainstream of life as the underclassmen joined in to make '72 a great year.

One thing was certain. The hustle and bustle of school life kept

Seniors

busy. Cramming for finals, decorating floats, painting bleachers, submitting requisitions, and just plain, old everyday living was a full life for Seniors. Even with all of this, seniors contemplated careers and the future. Seniors would no longer look forward to another year at ESHS. But the time spent here would linger for a life-time.

Remembering the past,

Seniors

recall the days when they were looking forward to planning the prom and running the school through the ASB offices. Junior Governor, Lynn Wendell, helped the Class of '72 give one of the best proms in school history. They sold football programs and Christmas candles. They marched in the band and drill team. They were archbearers and team members. They were individuals in a large group. But remembering is not the end - learning is for a life-time. There is much to be done - a lot of life to live - and ESHS has given them the hope and ability to live it well. Get going, seniors. The world is waiting for you!

A typical day in the life of a **Senior**

included proving to the freshmen that seniors were superior, and just goofing around in the snack area during snack and lunch. Seniors worked, though. They ran clubs and played football, volleyball, and baseball. But they also loafed and goofed - and put their "72" mark all over - on top of the boys' gym, on sides of the school building, on books, papers, tables, and in the cafeteria. The class of "72" was alive and living at ESHS.

Look to this day,

for it is yours! It is yours for a last few brief moments to enjoy and remember all the times of high school. There was time for classes, time for friends, and time for sports. There was time for learning - and time for playing. There was time to laugh and time to cry - but most of all - there was time! Soon it will be time to put away these high school memories for we must build for a new tomorrow. But today - there is still time to remember

exchanged ideas among themselves. Our chances

The four years at ESHS are over, graduation is
drawing near, and

Seniors

must look to the future for it is theirs to enjoy
to change and to do with it as they see fit. Some
of them will visit the campus in later years -
others will leave never to return. The common
bond of being in the class of '72 will never be
broken, yet it cannot continue. Look well,
therefore, to this day, Seniors. It will never be
again

talked of classes, meetings, prom, dances, games, draft, war, life, and death. School is a place to learn Learning is discussing and solving problems. Juniors did just that for they were a vital part of life and its existence on the ESHS Campus

Getting class rings, planning and preparing for the prom at Wednesday class meetings, being an archbearer at graduation, getting to sit on the west side of the gym with the seniors during rallies and sharing the center section of the auditorium with them at assemblies were some of the better things about being a

Junior.

Working at car washes, bake sales and the Junior Class food booth during football season got juniors involved in campus life. They looked forward to the day when they would be top man on the totem pole at ESHS.

"Student Values Need Reinforcing" was an article written in the Bay Eagle student newspaper by Junior Governor, Kathy Cummings. Her article was prompted by the act of vandalism done at Homecoming to the float belonging to the

Juniors

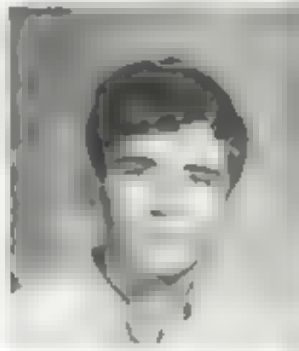

Kathy called upon all students to stand up for what is right and to develop a good sense of values. Juniors decided they must lead in that direction if they are to be the leaders of tomorrow. Although many Juniors dragged their feet and refused to get involved, many were active in student government, sports, clubs, and organizations that demanded these same values. Juniors looked to a better tomorrow as well as a better today

Making new friends and talking with old ones was part of the scene for the

Juniors.

At snack and lunch and in classes, Juniors were getting together having fun and learning. They were a part of the whole, yet individuals. Sometimes it was confusing wondering who you were and where you were going but most Juniors were searching and finding answers for themselves.

learned what it was like to be the "senior's sidewalk" and to be the lowest man on the totem pole. The freedom of high school was something new to each of them and it was very well liked among the freshman class.

Having classes in the East Wing was something that the

Freshmen

had to get used to. The long walks in the pouring rain, freezing cold, or blazing heat seemed almost too much to bear, but the freedom of high school was worth it. This year's Freshman Class came in to a school which was remodeling its main building and this caused some unusual problems for them such as having to wait to get their lockers

Now that the Freshmen

were finally in high school, they found many more responsibilities. Teachers didn't spoon feed them any more. But along with more responsibilities came a more adult attitude. This attitude was built in the freshmen to last throughout their entire life.

The Freshmen

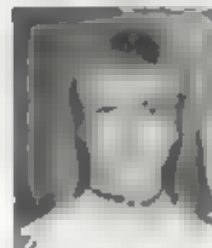

learned early of the limited freedom that they had. They yearned for the ultimate freedom of being a senior. But to their surprise they will find that their high school days will speed away leaving these hours only a fading memory to be looked upon in the future with tears and joy

This year our principal
Dr. John Machisic

brought about many changes to our campus. He found things that had been ignored for many years and finally did something about them. Teachers from the East wing along with the activities office were moved to the main building upon its reopening in February in order to achieve a more unified campus.

This year, Dr. Machisic was very impressed by the initiative shown by Student Government. He thought they really did something instead of just talking about it.

Dr. Machisic tried to make this school a more pleasant environment for all students and teachers to enjoy and learn in.

Looking out for the campus smokers and bare-foot students was assistant principal in charge of discipline and guidance

Mr. Frank Craven.

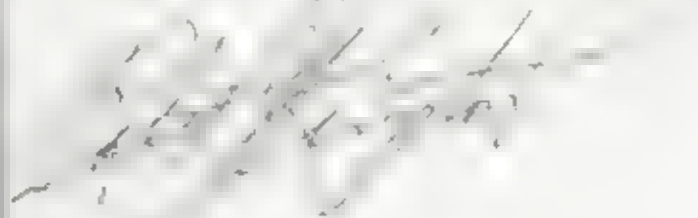

He made the unpleasant job of discipline a fair and just situation for all while at the same time supervising the guidance department and bringing order and organization to our campus

In charge of all student activities was assistant principal.

Mr. Robert Kingston

whose helpful ideas gave us a very successful year. If it weren't for Mr. Kingston we wouldn't have had the fantastic assemblies, rallies and other activities which made the school year an enjoyable one for everybody

The

Varsity Baseball Team

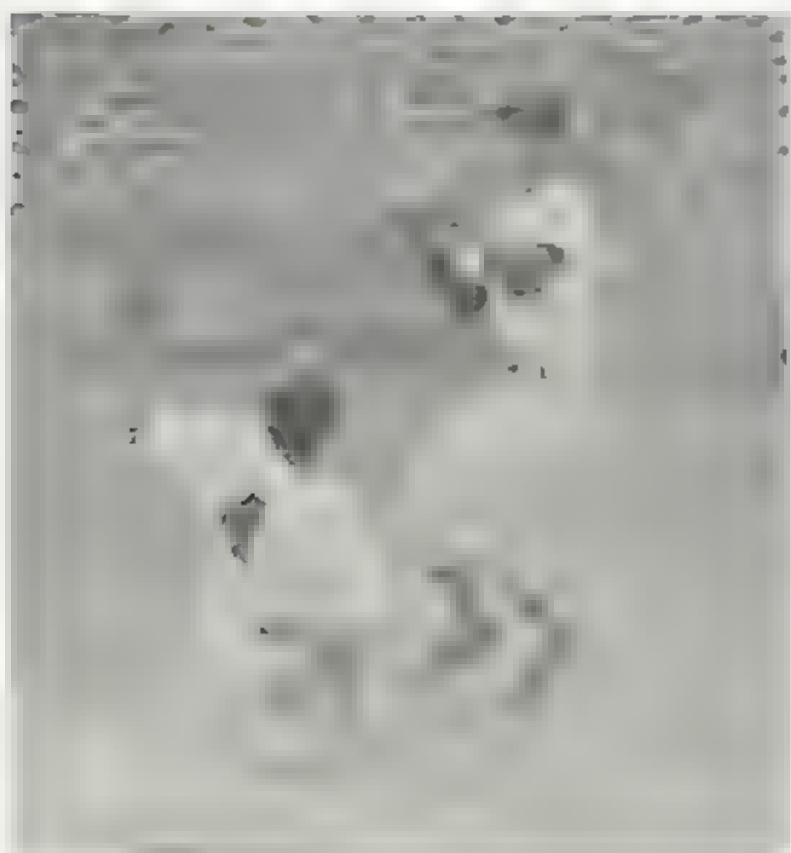

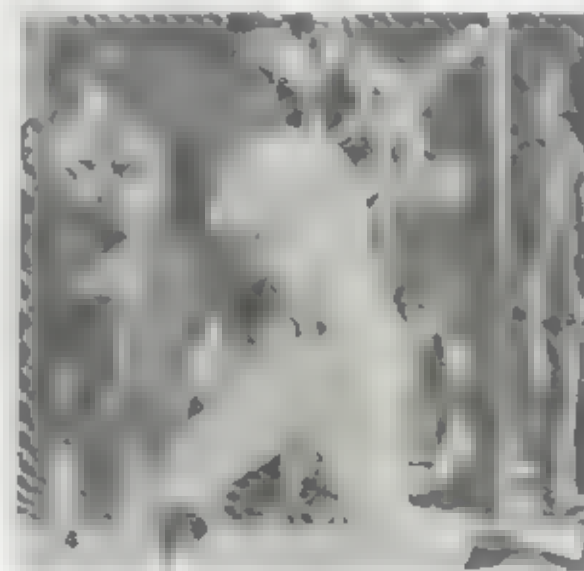

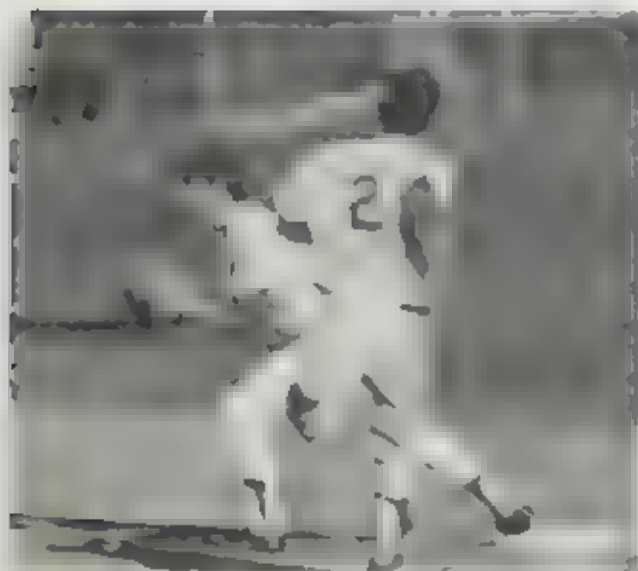

had a fine but disappointing season. Behind the strong pitching of Scott McGregor and Stewart Swiggum, the Eagles won the Pioneer League crown with a 13-2 record and proceeded to the semi-finals of CIF. The season ended there for the Eagles as one bad inning ruined their season and produced a 2-0 loss to Rolling Hills. For any other team this would have been a great season but as Coach John Stevenson stated at the beginning of the season, "We aren't out to win our league, we want to win CIF." Although not entirely satisfied, the Eagles showed great improvement throughout the season and ended with a fine 26-6 overall record.

1. Jeff Tidwell lashes out determinedly at the ball. 2. Proving he can hit as well as pitch, McGregor ends up on second. 3. Pioneer League MVP shows his stuff. 4. Concentration is the key as Swiggum fires a fast ball. 5. Stu Swiggum slides just to be sure.

This year's

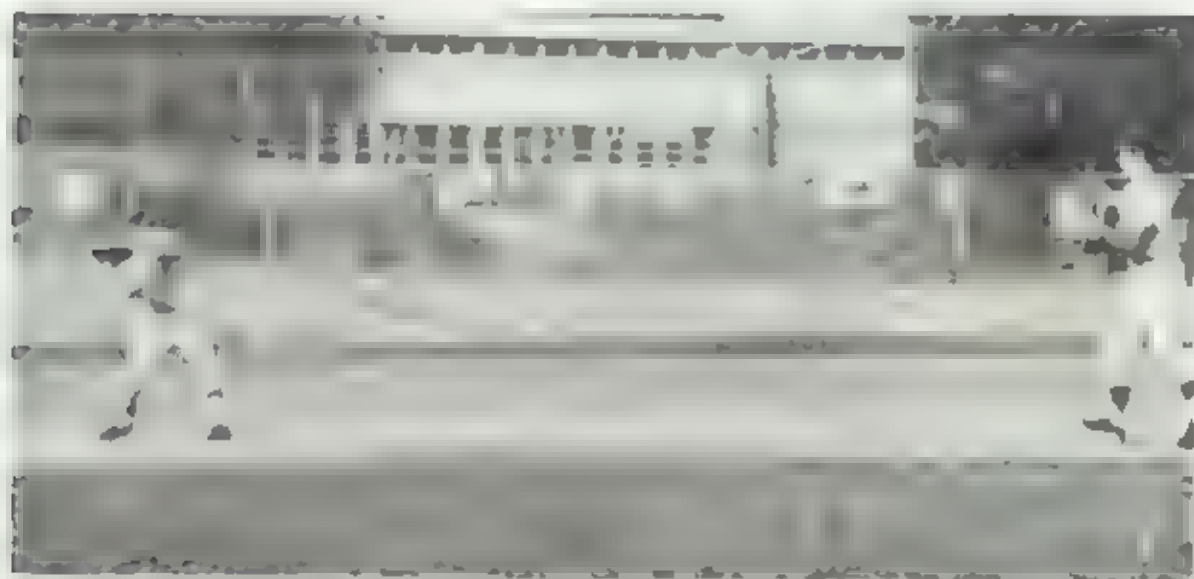

JV Baseball

team was constantly in motion—basestealing, executing the squeeze play, plus delivering power at the plate. There was a total team effort, both offensively and defensively, throughout the season.

Each member can point to a specific game situation in which his practice and drive led to an Eagle victory. This year's outstanding mention was earned especially by Phil Briese, Jeff Franklin and Matt Mullins. The three most consistent players were Mark Devilbiss, Alan Walker, and Mike Glidewell. Mark Padjen returned from a severe injury to make great contributions at the plate. Tim Cargill was the Eagle's most improved player. The Eagles led the league in all of the most important statistics. Our Junior Varsity team finished in 2nd place, one game behind Lennox.

Bill Murray lets go of one to bring in run for the baby Eagles. 2. Tom Rowson throws down to first base. 3. Berger base hit to first base. 4. Chuck Zopfi prepares to deliver a third strike.

Under the leadership of Coach Larry Cummings, the

Frosh/Soph Baseball

team recorded the best season record 16 wins and 6 losses, that any F/S Baseball team has ever recorded. This year, the team had only two sophomores, the rest of the team were freshmen. The boys put in an excellent year and are looking forward to their JV and Varsity Baseball careers

As the ESHS Varsity Horsehiders prepared to defend their CIF AAA crown, the

GIA Softball

team won the all South Bay Area Championship by defeating the Torrance Area's power, Mira Costa, 4-2. This year the girls went undefeated averaging 12.97 runs per game, while their opposition only scored 1.56 runs per game. The amazing thing about the team is that they played as a team. But one cannot overlook the outstanding individuals. The MVP's for this year were Colleen Kelly, a junior, who won eight of the nine games and Debbie Landreth whose most outstanding contribution was her .465 batting average.

This years

Trackettes

was under the direction of Coach Newell. The squad consisted of 35 hard working young ladies who helped at all the home track meets. Some of their jobs were taking down scores for the pole vault, high jump, long jump and shot put. Other girls were busy raking the pits or running score cards to the proper places. One girl was needed to announce the winners of the races and field events. All these jobs and more helped the Eagle Track Team have another successful year. During the track season the girls helped put on the El Segundo Easter Relays and cheered the team to victory winning the El Segundo Easter Varsity trophy.

Varsity Track

scored a good season, proving tough and spirited in competition. Many top marks were acquired through hours of practice. Placing third in league, the Varsity Team put in a fine performance. The captains were Bob MacGregor, Glen Coles and Bill Cuthbertson. The frequent top scorers were The Weinstein Brothers and Randy Grounds.

After winning the Inglewood
relays, this year's

Bee Track Team

rolled to a 6-2 record and a third place
finish in league. This team was led by Jeff
Jack in the low hurdles and Clyde Elliot in
the sprints. With the addition of many Bee
trackmen, next year's varsity should be
promising

1-John Castle jumps 6'2" for his highest jump ever
2-Placing first in the 660, Joe Purvis shows Eagle form
3-On his way to a win, Rick Walker eyes the finish line
4-Gary Deeter catches Harvard runner at the tape

Finishing up in third place in league, the

Cee Track Team

also had a 6-2 record identical to the Bee's record. Future varsity prospects were Joe Purvis in distance running and Graham Allison in sprints. The Cee trackmen learned valuable experience and showed signs of being championship contenders.

Quality not quantity was the story of the 1972

Varsity Swim Team

At every dual meet the team was certain of wins in the 50 and 100 freestyle from Brad Liedke, the 100 butterfly from Steve Hamaker, and the 100 backstroke and 200 medley from Gordon Clevenger. In the Pioneer League finals, the Eagles once again came in second, losing only by 11 points. Lack of depth once again cost the Eagles victory because they had no divers. The high point for the Eagle team was the CIF Swim Relays. With over 200 teams competing the Eagles managed to take 3rd place. The most valuable swimmer, for the 4th year, was Gordon Clevenger. Gordon was the only swimmer to make the CIF finals. He managed to take third in the 200 individual medley and second in the backstroke. His time of 1:58.0 made the automatic time standard for High School All-American in swimming.

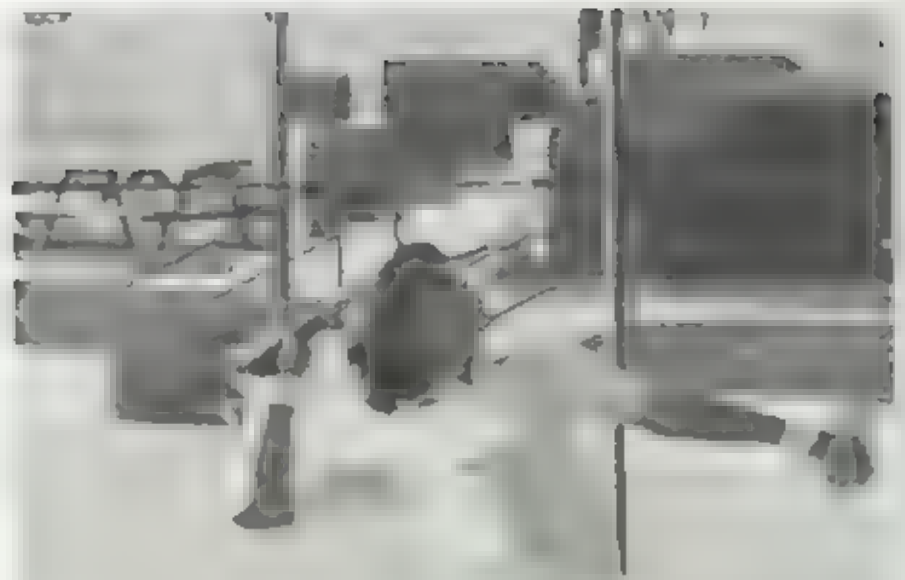

Left Row 1: Rick Peterson, Rod Randall, Andy Oien **Row 2:** Casimir Pulaski, Tim Randall, Paul Guy **Middle Left:** Rick Peterson takes off for a race in the backstroke **Middle Right:** Ken Karutz gets in a fast dive for the Eagles **Far Below Row 1:** Frank Kielnecker, Pat Dornblaser, Pete Whitney **Row 2:** Tom Whitney, Mark Berenger

Because of the small turnout in swimmers, the

Bee and Cee Swim Teams

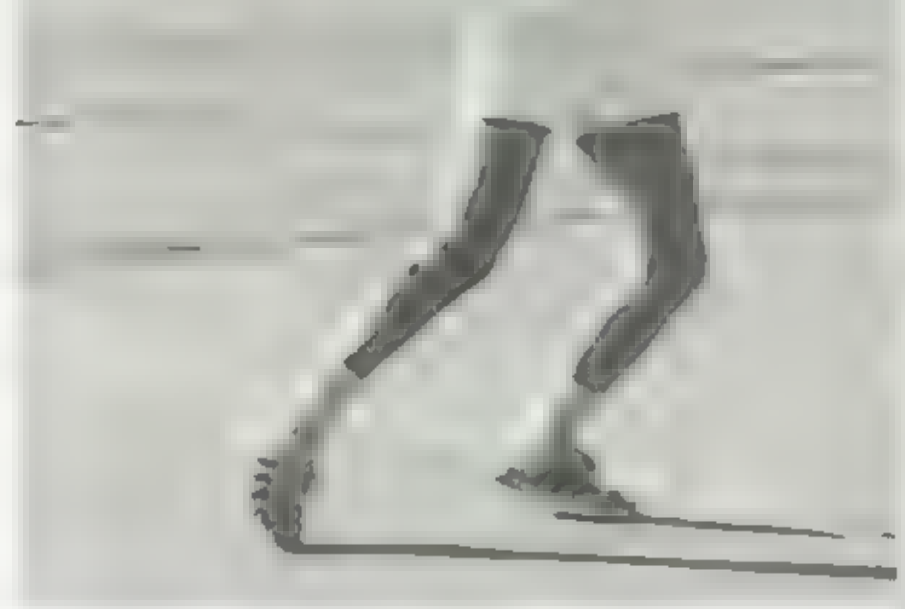

did not do well in team scoring. Improvement was made in the style of Frank Kielnecker and Pete Whitney on the "C" level and Andy Oien, Casimir Pulaski, and Tim Randall as "B's". Highlight performances occurred in the Bay-Pioneer League finals: Pat Dornblaser, 4th C-50 yd. breaststroke, Craig Mohr, 5th C-100 yd. freestyle, Tom Whitney, 5th C-200 yd. freestyle, Mark Berenger, 2nd B-50 yd. freestyle and 1st in the B-100 yd. freestyle, Paul Guy, 5th B-200 yd. freestyle and 2nd in the 400 yd. freestyle, Rick Peterson, 2nd B-100 yd. individual medley, Brad Clevenger, 1st B-100 yd. butterfly and 4th in the 100 yd. breaststroke; and also Berenger, Peterson, Guy, and Clevenger, 2nd in the 400 yd. freestyle relay.

Finishing up in third place this year was our

Varsity Tennis Team

with the help and dedication of some of the more outstanding members of the team. Roc McNaughton received the Most Improved Player award while Keith Kornatowski earned the Most Valuable Player award with nine wins and eight losses. The number one man in singles was David Botfeld. And of course there's Steve Leal who walked away with the Dexter Williams Perpetual Tennis award for the most outstanding tennis player in ability and attitude on the court for 1972.

Coming in second place for our league ahead of Lennox and Murphy was the
Junior Varsity Tennis Team

This year's league record was seven wins and two losses. Receiver of the Most Improved Player award was Clay Campbell. The Most Valuable Player award was earned by Joe LaFramboise who chalked up a score of thirteen wins and four losses.

Because of last year's success the
1972 Senior Awards Presentation

was once again held at the Media Center. This year, approximately 400 people attended, including teachers and administration, local businessmen, friends and fellow students and the honored students with their proud families. The students were honored for their achievements in athletics, the fine arts, leadership, scholastics and service.

Providing recognition for the generally unheralded students of the applied arts, fine arts and industrial arts departments of ESHS, the

1972 Rotary Awards Banquet

was held at the International Hotel once again. After a social hour and dinner, the Rotary Club President, Dr. McElhaney had the honor of giving trophies to the first place winners. Certificates of outstanding achievement went to the first, second and third place winners.

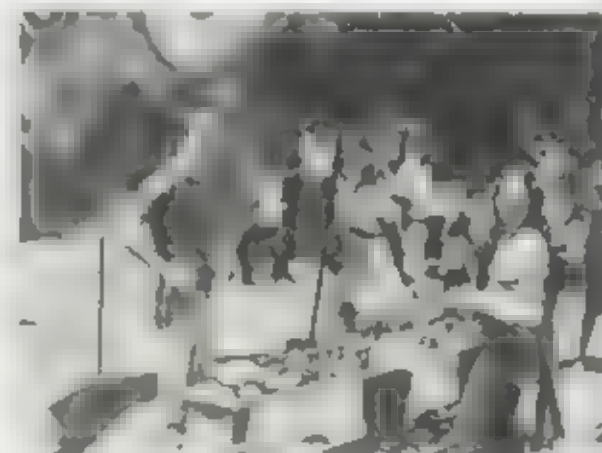

Anything and everything could be found at the second annual

Art Festival

held in Library Park on Sunday, May 7th. The High School Stage Band and Varsity Band provided an enjoyable concert in the park for people of all ages and Miss Simons choruses filled the air with music. Parades, costumes, puppet shows, art exhibits and ceramic displays all created by students in Art Guild and art classes represented the world of fine arts. Adding to the festive spirit of the day, 17th century style folk dancing under the direction of Mrs. Holmes performed to the enjoyment of the spectators. Art students sold some of their creative efforts to the admiring crowd of art fans and interested citizens. Credit for such success goes to the Fine Arts department and especially to the Art teachers-Mrs. Daoud, Mr. Jeldum, and Mr. Wood. Much could be learned and done at the Festival of Arts that lovely Sunday in May.

Today's string thing, macrame, dominated the park in the form of bells, necklaces and whatchamacalls. 8. Mrs. Simons' Chorus contributed their talents to the Art Festival. 9. Prospective buyers and art nuts examined the exhibits laid out for them on a grass carpet.

On Thursday, June 8th, at the

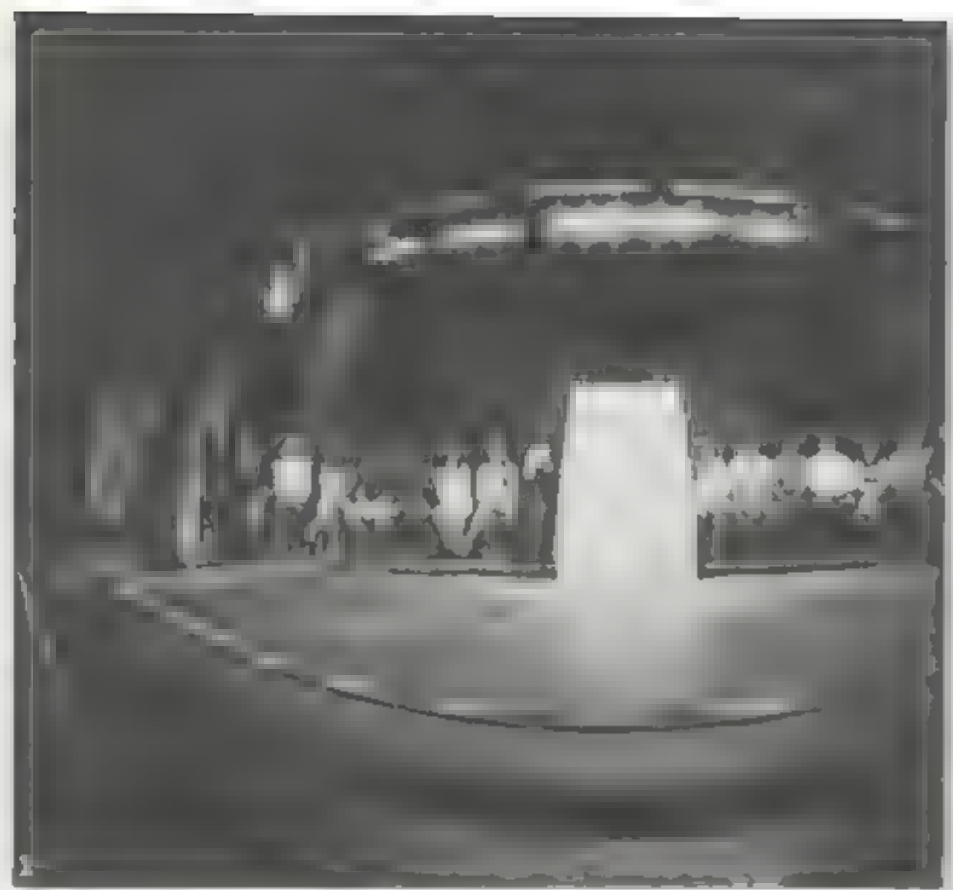

Annual Day

assembly, the students of ESHS eagerly awaited to see the '72 cover and to hear the dedication as the Stage Band played, and as this year's ASB President, Steve Curtis, installed the '72-'73

President, Dianne McCauley

Finally the moment arrived when Annual Editors Bob Kessener and Bob Pedersen, read the dedication and Mr. Wallace Duffy was ushered to the stage to accept his free book as the blue and gold cover was revealed

Then it was off to the boy's gym for the distribution of annuals. There was so much to look at and so much to read and so many other annuals to autograph. Another school year was made immortal between the pages of our annual

From dramatics to movies, students of ESHS enjoyed the second semester

Assemblies.

Sponsored by Girls' League, Simplicity Patterns put on a fashion show that included boys' and girls' fashions for summer. Students of Homemaking classes also modeled clothes that they had made in class. While the girls were enjoying the latest fashions, the boys were being entertained in the boys gym with an archery demonstration.

Mr. Duffy's Drama classes acted out scenes and skits from various plays for another assembly. Also, there were the usual prom, elections, and annual assemblies that provided information as well as a break from the every day class routine.

The favorite assembly proved to be the John Goddard movie about the Congo River. Assemblies were all too few and too short for most students, but then school can't be all fun.

On May 27 at 8 00 p m., nearly 125 couples strolled into the exquisit grounds of Busch Gardens to enjoy this year's

Junior/Senior Prom.

The outdoor atmosphere proved to be elegant unique, and romantic. Sponsored by the Junior Class, the Prom was held in an enchanted land of colorful birds beautiful water fountains, and lovely summer evenings. The Great Crowd provided the music while couples danced in an outside square. As a different flare to this great night, there was the Busch Garden's bird show where couples relaxed and enjoyed the antics of trained birds. Also available were boat rides winding through the gardens and visits to all bird residents. Climaxing the evening was the crowning of Prom Sweetheart Karen Lappen and Princesses, Debbie Summers and Margie Walsh. With such an elegant evening to remember, the Seniors were truly "On the Threshold of a Dream."

Sponsored by the American Legion and American Legion Auxilliary. Sharon Olson and Mike Jellison attended

Boys' and Girls' State

at Squaw Valley and UC Davis last summer. These two were selected to attend by the faculty based on leadership, personality, and academic achievement.

The purpose of Boys' and Girls' State is to promote better citizenship, develop the spirit of democratic government, encourage students to intelligent participation in government, and develop within the individual the love of God, home, and country.

Mr. Woodsmall once again sponsored the **California Scholarship Federation,**

a group of students with scholastic excellence. Under his supervision and the leadership of president, Joan Markley, these achievers tutored their fellow students, ushered at Senior Awards Night, and provided services to the school whenever needed.

A field trip to Universal Studios on May 22 proved to be a welcome variation from homework for these fine students.

Sophomores: Bev Brown, Cheryl Bushrow, Brad Clevenger, Madeone Cripe, Maureen Cummings, Debi Diaz, Rhonda Dornblaser, Janice Guckman, Liz Glynn, Ken Gould, Grace Hammack, Vicki Jensen, Jerese Meville, Diane Morehead, Kathy Pierson, Dianne Roberts, Barbara Turno, Julie Zobe, Chuck Zopfi.
Freshmen: Cathy Collings, Esther Cook, Bill Ellis, Jorge Gigena, Cindy Isitt, Rob Matthews, Jamie McCann, Tod McNaughton, Cherie Miller, Sharon Murphy, Sue Nusbaum, Stan Poey, Sandy Ramsay, Lauren Riggs, Jane Schmidt, John Stroh, Kathie Thomas, Kern Tyrrell. Names listed in alphabetical order.

Attaining and maintaining the highest grade point averages in the Senior Class are the

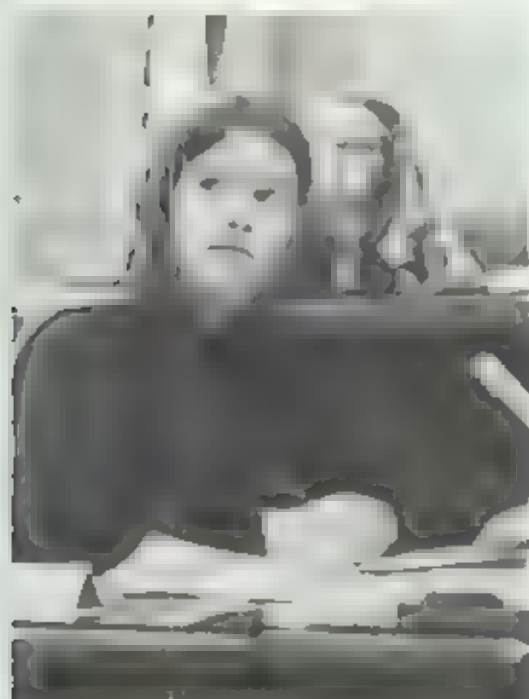

Sealbearers.

These individuals must meet the CSF qualifications six out of the eight semesters during high school.

Besides keeping up grades, the Sealbearers were active in sports, drama, and Student Government and carried out their special interests in school affairs. Like many graduating Seniors, some of the Sealbearers are uncertain of what the future holds in store for them. But others are planning their careers in music, science, math, and business. But whatever their fields of endeavor will be, each hopes to excel and to accomplish his individual goal.

1. Mike Jellison and Bob MaGregor 2. Keith Work (1 and 2 possible candidates) 3. Cindy Hull and Sharon Olson 4. Dave Jones, Bob Kessener and Tim Jolly 5. Correen Reardon and Peter Sinclair 6. Charisse Roach and Felicia Kongable 7. Debbie Jones and Shirley Storm 8. John O'Connor and Gordon Cevenger

Learning through experience were 18 seniors who participated in this year's

Student Government Day.

Sponsored by the Rotary Club, the students had a chance to see how the city of El Segundo is run. The day April 13, began with the introduction of all the city officials to the students who would take their place for the day. The officials explained their duties and their role in city government. Next, they were given a tour of the municipal buildings. The day ended with a city council meeting in which the students acted on matters concerning the city. Students learned and enjoyed the day while "playing" city government.

1. Bill Couter replacing Fire Chief Harry Gates
2. Mayor Susan Lourey leads the council meeting
3. Lynn Wendell is busy writing down the important minutes of the meeting
4. Donna Cowin intently listens to city official, James Johnson
5. Bob MacGregor listens and expresses his opinion during the meeting
6. Wendy Hahn studies some statistics in the city attorney's office
7. Mrs. Sullivan, legal secretary, is ready to assist Wendy Hahn, City Attorney

On June 14th at 6 00 PM, 217 seniors marched
onto Hazeltine Field to participate in
the 44th Annual

Commencement.

Colorful floral arches, held by students from the
Class of '73, combined with the melody of "Pomp
and Circumstance" provided a majestic atmosphere
for the affair. David Jones gave a welcoming
address. The class, presented by Dr. John Machisic
was accepted by Dr. Dale M. Harter, who then turned
the podium over to Melvin J. Westover for the
conferring of diplomas. Led by Mr. Tash, the seniors
flipped their tassels on the count of 2 Colleen
Reardon capped off the affair with a silvery speech
that was warmly received by the audience. After
twelve years of schoolwork, these 217 young adults
had finally triumphed, and the many smiling faces
testified to the joy derived from this
accomplishment

1. Sautatorian, David Jones smiles, knowing that his moment is
close at hand 2.&3. Dressed in white formals and carrying bou-
quets, procession leaders, Kathy Cummings and Lesley Lowell lead
the seniors in 4. Mr. Cummings offers some lighthearted advice to
Stewart Swaggum as Stu prepares for his entrance

1. Tara Stewart, head cheerleader, acts as the first graduate to receive her diploma, while the rest of the class follows. 2. Emily Wayne, the first graduate to receive her diploma, stands in front of the class. 3. Mr. Wayne, the first graduate to receive his diploma, stands in front of the class. 4. Mr. Wayne, the first graduate to receive his diploma, stands in front of the class. 5. Mr. Wayne, the first graduate to receive his diploma, stands in front of the class. 6. To a chorus of applause, Mr. Wayne Fisher accepts his diploma. 7. Felicia Kongable walks beneath the arches.

Above: Acting as head cheerleader, Tara Stewart exemplifies the emotions of the graduates as the ceremony comes to an end. 7. Expressing her happiness with a grin, Felicia Kongable walks beneath the arches.

Searching the town of ElSegundo and surrounding communities for flowers and fern to decorate their arches were the

1972 Archbearers.

39 junior couples qualified to participate in this beautiful, traditional graduation ceremony. Each couple signed up in May and started planning and designing their arch. Long hours of picking and wiring flowers and the strain of practicing paid off as the archbearers paraded past the bleachers and formed the flowered path for the class of 1972 to walk through to the graduation ceremony.

Right: The west side archbearers march in glumly. **Below:** The archbearers take their seats behind the graduates. **Below Right:** Mr. Cummings and Scott Graham disagree on directions.

Above: The east side archbearers come on the field. **Right:** Susan Thomas thinks about next year's graduation.

Jim,
 It was fun this
 year - have fun this
 summer & as a junior,
 Good luck in Latin! I hope
 Miss Hitchcock has easier
 tests! (C) Ho, Ho! Best of luck
 always & may God grab you & love you
 & bless you real good.
 Love in Christ

I am
 still been
 behind you and
 missing you death
 puncher. You death
 next year. Good luck
 Mike Gournier

Crust,
 Crust, Crust, Crust, Crust
 The crust is always a must
 so eat the crust
 and have a good
 summer.

Matt Stewart

Hey Jim,
 It's been a lot of fun knowing you yet
 another year! You play a mean vibie bone!
 It's been a load of fun in band this year.
 Keep improving & you'll be fantastic! You're
 great now! I'd only get 1 to go while you're
 got 2, but enjoy next year - I will!
 Saw - proverbial blast in the summer &
 I shall see you in Sept 1 (for the last time)

Jim,
 You a nice
 really nice
 guy. I've had
 my enjoyed
 being in
 Latin with
 you. Always
 be happy.
 And keep
 smiling. Hope
 to see you in
 the summer
 and next year.
 Love,
 Karen

Jim - Have a
 great summer.
 It's been fun this
 year but I hope
 it's more fun
 next year.

"H" 174

Tim -
You're a great friend & I hope
our friendship will keep on
going. Of all my memories I
don't think I'll ever forget
Caster at the Wallaces. It
was really fun! Have a
great summer & be good! See
you next year - Love

Maup Wilson

Tim, It's been nice
talking with you &
you seem like a
really nice person. I
seem like the only
problem w. th our
relationship is that y
want it to be more
than it is. It is a
Friendship. I like you
a friend & I hope we st
friends. Good luck in
future & in the rest
your life
